LOVE B.C. Aronson,2010-03-03 True love is like ghosts which everybody talks about and few have seen Francois Duc de La Rochefoucauld Writer To have a good friend is the purest of all God s gifts for it is a love that has no exchange of payment It is not inherited as with a family It is not compelling as with a child And it has no means of physical pleasure as with a mate It is therefore an indescribable bond that brings with it a far deeper devotion than all the others Frances Farmer Actress Whether it s the love we feel for parents significant others or even pets this treasury of quotes and passages offers a wonderfully diverse way to discover the meaning of love Included are thoughts from talented minds such as George Bernard Shaw Anna Quindlen Woody Allen and many more This beautiful hardcover gift book affordably priced at 14 95 is perfect for readers of any age who are in the mood for love

The Heart Has Its Reasons Beata Toth,2016-05-26 The Heart Has Its Reasons explores a hitherto neglected area of theological anthropology the unity of human emotion and reason embodied in the Biblical concept of the heart While the theological contours of human rationality have long been clearly drawn and presented as the exclusive seat of the image of God affectivity has been relegated to a secondary position With the reintegration of the body into recent philosophical and theological discourses a number of questions have arisen if the image also resides in the body how does this change one s view of the theological significance of human affect In what way is our likeness to God realised in the whole of what we are Can one overcome the traditional dissociation between intellect and affect by a renewed theory of love In conversation with patristic and medieval authors like Irenaeus Tertullian Gregory of Nyssa Maximus and Thomas Aquinas and in dialogue with more recent interlocutors such as Blaise Pascal Ricoeur Marion Milbank and John Paul II Beata Toth pursues a novel theological vision of the essential unity of our humanity

As If the Heart Mattered Gregory S. Clapper,2014-02-25 As If the Heart Mattered expounds on John Wesley s image of religion as a house by exploring three main parts the porch of repentance the door of faith and holiness the house itself Useful study helps include references to John Wesley sermons and Charles Wesley hymns But this approach to spiritual life transcends Methodism and provides essential biblical truth applicable to all Christians Questions for reflection or discussion are provided at the end of each chapter
