Love For No Reason Love For No Reason:

Love For No Reason Marci Shimoff, Carol Kline, 2012-01-10 Transformational leader and author Marci Shimoff outlines seven steps aimed at helping readers develop and maintain unconditional love which she believes will allow them to have lasting joy and fulfillment in life

Love For No Reason Marci Shimoff, 2011-08-18 Following on from New York Times bestseller *Happy for No Reason* Marci Shimoff introduces a new paradigm of love in *Love For No Reason* describing it as a state of being that doesn't depend on external circumstances. When a person experiences love for no reason they don't need to get it from other people, the right partner, the perfect body or a great job. They bring love to the world around them rather than expect love from it. In short they aren't looking for love, they are love. Supported by the latest findings in neuroscience *Love For No Reason* offers readers breakthrough methods to experience unconditional love in every area of their lives. The book begins by defining this new paradigm of love, underscoring why there has never been a more important time to cultivate it. It then outlines a practical programme to develop and nurture this love from the inside out. *Love For No Reason* introduces the groundbreaking concept of the Love Body, a positive energy field that encompasses and enriches the body and mind. This revolutionary programme is based on the most recent scientific research on the biochemistry of love, including cutting edge studies and interviews with experts such as Dr Mehmet Oz. In the final section of the book Marci supplies readers with strategies for maintaining unconditional love in the face of everyday challenges in the areas of relationships, work and overall health and wellbeing

The Reasons of Love Harry G. Frankfurt, 2009-01-13 From the author of the 1 New York Times bestseller On Bullshit a profound meditation on how and why we love In The Reasons of Love leading moral philosopher and bestselling author Harry Frankfurt argues that the key to a fulfilled life is to pursue wholeheartedly what one cares about that love is the most authoritative form of caring and that the purest form of love is in a complicated way self love Through caring we infuse the world with meaning Caring provides us with stable ambitions and concerns and it shapes the framework of aims and

interests within which we lead our lives Love is a nonvoluntary disinterested concern for the flourishing of what we love and self love as distinct from self indulgence is at heart of this concern The most elementary form of self love is no more than the desire to love and self love is simply a commitment to finding meaning in our lives 10 Reasons Why First Love is Unforgettable Margaret Light,2025-01-29 First love is more than just a fleeting romance it is an experience that leaves an indelible mark on the heart 10 Reasons Why First Love is Unforgettable explores why this first encounter with love is so powerful shaping emotions expectations and future relationships From its intensity and purity to the lessons learned through joy and heartbreak first love is a defining moment of self discovery and emotional awakening Whether it lasted forever or ended in bittersweet nostalgia its impact never fades This book delves into the reasons why first love remains etched in memory influencing how we love for a lifetime **Love Beyond Reason** John Ortberg,2010-05-11 How Do You Explain a Love That Has No Explanation What will happen if you let it touch your heart God loves you not because you are flawless not because you are a perfect person but just because you are In Love Beyond Reason John Ortberg reveals the God you ve longed to encounter a Father head over heels in love with you his child and intensely committed to your highest joy Ortberg takes you to the very core of God s being to discover a burning passionate love that gives and gives and gives He explores the life changing ways this love has expressed itself through Jesus And he shows how you like Jesus can love your mate your family your friends and the world around you with the same practical transforming love Dispelling your fears and misconceptions of God Love Beyond Reason brings you face to face with the Love that frees and empowers you to love

Morality Collapses Stephen Kershner,2025-06-27 This book argues that consequentialism and non consequentialism are false because they face metaphysical and intuitional problems The two theories exhaust the theories of the right so there is no rightness This result matters because it requires us to give up widely held beliefs regarding knowledge moral responsibility and reasons for action The author s argument is unique because it focuses on applied ethical arguments rather than metaethical issues Specifically it avoids metaethical discussions of whether morality explains our thoughts and actions how we know about morality and whether the denial of morality is self defeating The author specifically argues against consequentialism and non consequentialism in the following ways Metaphysical Problems Consequentialism and non consequentialism are false because they need a theory of counterfactuals and backtracking that they cannot have Rights Problems Non consequentialism is false because non consequentialism depends on rights and people do not have rights They do not have rights because of problems regarding moral responsibility right grounding and self ownership Circularity Non consequentialism is false because the basic building blocks of non consequentialism desert rights and virtue are circular Morality Collapses will be of interest to researchers and graduate students working in normative ethics metaethics moral responsibility and political philosophy *Self-Organization in Psychotherapy* Arno L. Goudsmit,2012-12-06 This book presents self organization as a common theoretical foundation for a variety of therapy styles New models and conceptual

tools that describe and explain some of the crucial features of psychotherapy are discussed In contrast to other highly theoretical and technical discussions of the subject this book gives a wider audience an understanding of recent developments

Marcus Aurelius in Love Marcus Aurelius, Marcus Cornelius Fronto, 2008-09-15 In 1815 a manuscript containing one of the long lost treasures of antiquity was discovered the letters of Marcus Cornelius Fronto reputed to have been one of the greatest Roman orators But this find disappointed many nineteenth century readers who had hoped for the letters to convey all of the political drama of Cicero's That the collection included passionate love letters between Fronto and the future emperor Marcus Aurelius was politely ignored or concealed And for almost two hundred years these letters have lain hidden in plain sight Marcus Aurelius in Love rescues these letters from obscurity and returns them to the public eye The story of Marcus and Fronto began in 139 CE when Fronto was selected to instruct Marcus in rhetoric Marcus was eighteen then and by all appearances the pupil and teacher fell in love Spanning the years in which the relationship flowered and died these are the only love letters to survive from antiquity homoerotic or otherwise With a translation that reproduces the effusive slangy style of the young prince and the rhetorical flourishes of his master the letters between Marcus and Fronto will rightfully be reconsidered as key documents in the study of the history of sexuality and classics

The Prudence of Love Eric J. Silverman, 2009-12-02 The Prudence of Love How Possessing the Virtue of Love Benefits the Lover focuses upon the intersection of philosophical theological and psychological issues concerning love Eric Silverman advocates an account of the virtue of love derived from Thomas Aquinas's account of charity and makes three claims concerning love's effect on a person's happiness First he argues that there are at least five distinct ways that possessing the virtue of love contributes to the lover's happiness Surprisingly only one of these benefits is primarily relational while the other benefits are largely psychological Second Silverman argues that the combination of love's benefits typically increases the lover's overall level of happiness Finally he argues that possessing a loving disposition is a more reliable strategy for increasing one's overall happiness than possessing an unloving disposition Throughout The Prudence of Love Silverman demonstrates that love's benefits are identifiable according to all four major views of happiness

God of Love and God of Reason David R.

Mason, 2016-02-18 These homilies lectures and essays vigorously champion the author's conviction that it is reasonable to believe in a God of pure unbounded love and also that the best religion is a reasonable religion That is the God of Love is the God of Reason and as a seventeenth century Cambridge preacher put it If you would be religious be rational in your religion Thus these essays challenge both the New Atheists and Fundamentalists who are twins like Tweedledum and Tweedledee And they aim positively to unpack the meaning and implications of Jesus dictum You shall love the Lord your God with all your heart and with all your soul and with all your mind This is the greatest and first commandment And the second is like it You shall love your neighbor as yourself On these two commandments hang all the law and the prophets
