about love hope and forgiveness Makes you feel warm inside but also absolutely breaks your heart totally beautiful and uplifting A stunning and compassionate story of family forgiveness and unconditional love will remain forever in my heart Very touching I couldn't put it down **Appletons' Journal** ,1877 *Programme of the First Rehearsal and Concert with Historical and Descriptive Notes By William F. Apthorp* Anonymous,2025-08-13 Reprint of the original first published in 1881 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage Sacred and Profane Love Arnold Bennett,2022-09-16 Arnold Bennett's Sacred and Profane Love is a compelling novel that delves into the complex nature of human relationships exploring both the spiritual and earthly aspects of love Set in the early 20th century Bennett's writing style is characterized by its attention to detail and vivid character development transporting readers to a bygone era The novel seamlessly weaves together themes of desire fulfillment and the struggle between duty and passion leaving a lasting impression on its audience With its rich prose and insightful commentary on societal norms Sacred and Profane Love stands as a timeless work of literature that continues to captivate readers today Arnold Bennett known for his keen observations of human behavior and the intricacies of human emotion drew inspiration from his own experiences and observations to craft this intricate tale of love and longing His background as a journalist and playwright equipped him with the skills necessary to craft a powerful narrative that resonates with readers across generations Fans of classic literature and detailed character studies will find Sacred and Profane Love to be a rewarding and thought provoking read offering a nuanced exploration of the complexities of love and human nature Some Faces of True Love Carlos Roberto Carvalho,2024-06-24 How many times in life do we attempt to decipher those moments of ecstasy when love happens This overwhelming feeling surrounding us becomes so real that it gives us the illusory sensation of being concrete and palpable We know we have it and we regret it when it disappears but unfortunately we have no way to imprison it We will never tire of the desire not to believe that its manifestation is involuntary However we can consider ourselves fortunate to be eternal hunters endowed with extreme sensitivity to detect its nuances In this book twelve short stories are presented with different engaging scenarios and apparently disconnected from the theme These short stories however do not present novel plots as the title might suggest The main objective of the narratives is to immerse the reader in different and genuine ways in which pure love manifests itself At the end of each chapter the reader is challenged to reflect on whether the feelings involved hidden in a subtle way are some faces of true love **Apart from Love** Uvi Poznansky,2012-02-15 Apart from Love is not your typical love story All consuming heart wrenching and dark it is an epic that starts when Ben returns to meet his father Lenny and his new wife Anita It is then that he discovers a family secret How will they find a path out of conflicts out of isolation from guilt to forgiveness My Own Voice As told by Anita Ten years ago Anita started an affair with Lenny in spite of knowing that he was married and that his wife was succumbing to a mysterious disease Now married to him and carrying his

child how can she compete with Natasha's shadow and with her brilliance in the past Given Anita's lack of education how can she resist his compelling wish to transform her Can she survive his kind of love Faced with the way he writes her as a character in his book how can Anita find a voice of her own And when his estranged son Ben comes back and lives in the same small apartment can she keep the balance between the two men whose desire for her is marred by guilt and blame The White Piano As told by Ben Coming back to his childhood home after years of absence Ben is unprepared for the secret which is now revealed to him his mother Natasha who used to be a brilliant pianist is losing herself to early onset Alzheimer's which turns the way her mind works into a riddle His father has remarried and his new wife Anita looks remarkably similar to Natasha only much younger In this state of being isolated being apart from love how will Ben react to these marital affairs when it is so tempting to resort to blame and guilt In our family forgiveness is something you pray for something you yearn to receive but so seldom do you give it to others Behind his father's back Ben and Anita find themselves increasingly drawn to each other They take turns using an old tape recorder to express their most intimate thoughts not realizing at first that their voices are being captured by him These tapes with his eloquent speech and her slang reveal the story from two opposite viewpoints Dealing with the challenging prospects of the marriage of opposites this book can be read as a standalone novel as well as part of one of family sagas best sellers Still Life with Memories is a family saga series tinged with family saga romance fraught with marital issues and riddled with the difficulty of connecting fathers and sons
