Love Life Poetry A Collection Of Poems:

Love Life Poetry Marcus Page,2011-02 This book which I named Love Life Poetry is a poetry book made up of poems which I have written which speaks from the heart on various topics It focus on love of all Life My poems are easy to read and very understandable I hope to touch someone s life for the better To open people eyes to the truth about Love Life and Poetry

Lovecation Yahaya Balogun,2021-07-13 We are in a period where love and affection are a mismatch for partnerships families relationships etc Problems of association beset us and the fear of the known and unknown troubles the world As a freelance writer who feels a powerful desire for friendliness and with a passion for changing the world for good I wrote this short book of love poems to trigger people s interests and relax the troubled souls out there We make true love a mundane subject whereas there should be bantering and the presence of naughtiness in the consensual relationship state of lovers minds The only uniter of the troubled minds is the indescribable feeling that we call love Between two lovers love is an unending fondness that brings them together for a long lasting relationship Every human being is a biased political animal We believe what we want to regard as accurate and close our eyes to other people s opinions One way or the other we have tried to be politically correct in our political conversations with one another Unfortunately no political analyst or writer has ever satisfied all political religious or tribal audiences anywhere in the world For example in the United States while the Republicans see the Democrats as political dumbasses Democrats see the Republicans as chronic conspiracy theorists and Assholes Freelance writers unintentionally create political enemies when they try to be deliberately or indeliberately honest about how opposing parties play politics Alas writing humorously on lovemaking and all the ingredients of naughtiness every reader is prone to travel mentally on what I call lovecation to satisfy their libido i e sexual desire Love brings human beings together And women are the bridge of affections that sail men to the destination of love The purpose of this book on love poems is to serve as a tranquilizer to soothe the unsettling souls and bring the once upon a time lovebirds and now estranged partners to lovemaking and amity again The world needs love to relax and device means of fun making Hopefully this book will trigger stressful minds to relax and enjoy this book s fun making merriment mischief and genuine intention **The**

Literary Expressions: A poetry collection Sofie Munk Hasselbom, 2016-12-10 The poems speak of love dreams childhood friendship and everything in between both personal and imaginary since the poet have not experienced everything life has to offer yet However the inspiration for everything in this collection comes from personal experiences It is a way of expressing the expressions of life through poetry Sofie Munk Hasselbom began writing poetry somewhere during her first year of high school in 2007 Since then the writing has been on going and finished in 2016 As oppose to writing fiction and other kinds of prose poetry is a very different way of using the written language to construct and tell a story or narrative This book contains the collection of the poet s favorite poems and they are ready for others to read These literary expressions of life are a subjective view of life based on the poet s own personal experiences Therefore this collection serves as both a view on life in general and an insight into the mind of the poet
