## Love Manual:

*The Covenant of Love. A Manual of Devotion for the Sick and Suffering* A. M. James, 1873      **The X-Manual** Peter J. Bellini, 2022-04-07 The title of the book *The X Manual* is taken from the word *exousia* from the subtitle. It is the Greek word for authority. The word is used throughout the New Testament. For our purposes, it is used to express the divine authority or right to cast out demons. I have given you authority *exousia* to trample on snakes and scorpions and to overcome all the power of the enemy; nothing will harm you. Luke 10:19 NIV. Jesus gives believers authority to cast out demons. This book is about spiritual authority over evil. *The X Manual* is a practical how-to handbook for clergy and laity on deliverance and exorcism. One reason I wrote the book is because so few understand and/or operate effectively in deliverance ministry. Nowhere is the church more inadequate or excessive than in deliverance ministry. *The X Manual* contains specific, time-tested biblical instructions on selecting and training a deliverance team, pre-deliverance work, the deliverance session, post-deliverance work, and other useful tools like the C1-13 instrument that helps determine if one needs deliverance. Deliverance is essential to the church's New Testament healing and evangelism ministry. It is time for the church to walk in the authority and power that Christ gave us to set the captives free.      *Evangelism God's Way Manual* Deborah Nembhard-Colquhoun, 2011-06-13 **EVANGELISM MANUAL** This manual exemplifies the most effective methods of evangelism. It also provides many strategic plans and guidelines for effective evangelism. All believers, particularly those who aspire to be in leadership or are currently in ministry, should own this evangelism manual. This manual is a much-needed resource in the field of evangelistic outreach. It seeks to give practical training and equipping to those who wish to fulfill the call of the Great Commission. The manual is useful for teaching, training, witnessing, follow-up, discipleship, launching your own ministry, and even for acquiring personal knowledge of evangelism.      *Success & Happiness One Day at a Time; an instructional manual for your life*,      **The Soldier's Manual** Michael Bedell, 2019-04-17 When you get up in the morning, open your soldier's manual and let it serve as your guide throughout the day to instructions and directions on how to walk, how to talk, and how to cope with everyday situations. It is no secret what God can do. What he's done for others, he'll do for you. Be armed and dangerous; know your soldier's manual. Don't leave home without it. And never lend it out to anyone for any reason. Bedell Group Initiative      **The Relationship Training Manual for Men\* \*Women's Edition** Ph D David Unger, 2008-09 We all know relationships can drive us crazy. Our partners routinely annoy us, disappoint us, and refuse us. They upset us, hurt us, embarrass us, and occasionally make us wonder whether we wouldn't be better off without them. Yet despite all that, most people still want to be in a relationship. That's because relationships can also be a source of joy, inspiration, companionship, stability, and semi-regular and perhaps even spectacular sex. This book helps pave the way. Praise for the *Relationship Training Manual for Men*. Every woman I know who has read *The Relationship Training Manual* has immediately given copies to her friends and gratefully given one to her man. Every man I know has hidden the book from the

women he knows while secretly upgrading himself I am not sure who gets the most out of it but everyone Ahn's New Latin manual P. For Daily Use. Edited by O. Shipley* Orby SHIPLEY,1863 **A Manual of Catholic Theology** Joseph Wilhelm D.D. Ph.D. and Thomas B. Scannell D.D.,Aeterna Press, THE word Theology means the Science of God This science has God not only for its subject but also for its source and its object hence the Divine character of Theology cannot better be described than by the old formula Theology teaches about God is taught by God and leads to God Theology may be taken objectively as doctrine or subjectively as knowledge But it is not every knowledge of Divine doctrine especially not the mere apprehension of it that is called Theology The term is restricted to scientific knowledge and consequently Theology in its technical sense is the scientific exposition of the doctrine concerning God and things Divine Aeterna Press **Your Owner's Manual for Life** Maureen Marie Damery,2016-10-17 Some books are deeper and more profound than others They touch us at a deep soul level This is one of those books Your
