

Ekejiuba paints a clear, compelling picture of the severity of [Outcast] discrimination and of the cultural taboos that reinforce it. [He] does admirable work, spreading ideas of equality to his intended audience ... and helping to edify the rest of the world about problems facing his homeland. An argument for equality ... laudable for its engrossing insights into Nigerian culture, history, and discrimination.

Love Stigma Outcast System Elimination:

Love and Stigma the Outcast System Sir Adolphus O.M. Ekejiuba, KSJI,2015-12-03 The Outcast System occurs in Africa and India In Nigeria outcasts are called Osu As freeborn myself I was brought up to see the outcast as lower class humans Our culture made it an abomination to have any relationships with them I was forbidden from marrying from their stock They could not hold some traditional titles and were never appointed Traditional Rulers These fell apart when I saw blood donation by an outcast The thoughts as to who would use the blood he donated bordered me After some reflections and applying Scientific Religious and Sociological knowledge I concluded that the Outcast System is baseless instituted in ignorance and being perpetuated in ignorance To illustrate I told the pitiable story of what would happen if a freeborn tries to marry an outcast This book will make the readers worldwide abandon the System without coercion or force of law *Love and Stigma the Outcast System* Sir Adolphus O M Ekejiuba Ksji,2015-12-03 *Dreadful Desires* Charlie Yi Zhang,2022-02-07 In *Dreadful Desires* Charlie Yi Zhang examines how the Chinese state deploys affective notions of love to regulate the population and secure China s place in the global economy Zhang shows how the state frames love as a set of desires that encompass heteronormative intimacy familial and communal attachment upward mobility and private property ownership These desires as circulated in performance in the nationalistic ceremony same sex romantic fan fiction the wildly popular reality television dating show If You Are the One and the cult of patriarchal personality around Xi Jinping are explicitly based in oppressive systems of gender class and sexuality Zhang contends that such desires connect love to economic survival and gender normativity in ways that underwrite Chinese neoliberalism at the expense of individual flourishing By outlining how state framed forms of love create desires that cannot be fulfilled Zhang places China at the forefront of using affective attachments to nation leader and family in the global shifts toward exploitation and authoritarianism *Bulletin of the American Academy of Medicine* American Academy of Medicine,1902 **British Medical Journal** ,1913 *The State of the Field* David Kilpatrick,2018-12-07 The study of association football has recently emerged as vibrant field of inquiry attracting scholars worldwide from a variety of disciplinary backgrounds Soccer As the Beautiful Game Football s Artistry Identity and Politics held at Hofstra University in April 2014 gathered together scholars media management and fans in the largest ever conference dedicated to the game in North America This collection of essays provides a comprehensive view of the academic perspectives on offer at the conference itself a snapshot of the state of this increasingly rich scholarly terrain The diversity of approaches range from theory to pedagogy to historical and sociological engagements with the game at all levels from the grassroots to the grand spectacle of the World Cup while the international roster of authors is testimony to the game s global reach This collection of essays therefore offers a state of the field for soccer studies and a road map for further exploration The chapters originally published as a special issue in Soccer Society *Fire Dreams* Laura McTighe,2024-01-22 For thirty five years the New Orleans based Black feminist collective Women With A Vision WWAV has

fought for the liberation of their communities through reproductive justice harm reduction abolition feminism racial justice and sex workers rights In 2012 shortly after one of WWAV s biggest organizing victories arsonists firebombed and destroyed their headquarters Fire Dreams is an innovative collaboration between WWAV and Laura McTighe who work in community to build a social movement ethnography of the organization s post arson rebirth Rooting WWAV in the geography of the South and the living history of generations of Black feminist thinkers McTighe and WWAV weave together stories from their founders pioneering work during the Black HIV AIDS crisis in the 1980s and their groundbreaking organizing to end criminalization in the aftermath of Hurricane Katrina with other movements for liberation as accomplices Together the authors refuse the logics of racial capitalism and share WWAV s own world building knowledges as well as their methods for living these Black feminist futures now Fire Dreams is a vital toolkit for grassroots organizers activist scholars and all those who dream to make the world otherwise
