[Routines Manual Volume 1](#) Savoy, The Don, 2012-10-02 The biggest thing that most men usually struggle with when meeting and talking with women for the 1st time is WHAT to say. Should I just be myself? Women love a funny sense of humor, though. Should I tell her a funny story or joke? Should I find out more about her? I know I need to keep talking. But what to say? Inside *The Routines Manual Vol 1: Love Systems Master Instructor*, The Don and Love Systems co-founder Nick Savoy have compiled together a large assortment of routines or things to say to a woman that have been used by all the Love Systems instructors on over thousands of women worldwide. Through their years of experience talking to so many different women, the instructors all have said a million different things and have learned what gets a good response and what doesn't. What story is funny? What conversation or bantering points and topics should be avoided, etc. This is perfect for someone who struggles with what to say and are looking for ways to get the conversation flowing. The guy who wants to
