The Marriage Makeover G. Michael Saunders,2011-12 How is your marriage Is it everything you hoped it would be Is it the happy successful fulfilling relationship that God promises it will be in His Holy Scriptures If we are honest no matter how good our marriages are we have to admit that marriage did not live up to our expectations The good news truth though is that our marriages can be everything that God promises and that truth is based on these very promises of God There are things we need to know understand and act on in order for God s promises to come true in our lives and that is what this book is about helping you to know how to take your marriage and make it all that God promises your marriage can be in His Word

In Celebration of Love, Marriage, and Sex Gary L. Crawford,2007-12 Nowhere do Christians find a more relevant word about marriage and love than in the poetic expression of God s gift in the Song of Solomon Practical Life Jet, 1999-11-29 The weekly source of African American political and entertainment news Sex and Love in the Home, Second Edition David M. McCarthy,2011-01-01 This book inaugurates a completely new way of thinking about the ethics of marriage and sex I know of no book on the subject more promising than what McCarthy has achieved here Stanley Hauerwas Gilbert T Rowe Professor of Theological Ethics Duke University Much has been written in Christian theology about sex love and procreation but their social meanings and contributions are much more rarely addressed McCarthy now takes this greatly neglected task eloquently connecting the Christian household to the common good All those who want to realize the social vocation of the Christian family will find in this work a rich and challenging resource for understanding and for life Lisa Sowle Cahill J Donald Monan Professor of Theology Boston College Drawing on his own experience of learning how to be a husband and father David Matzko McCarthy offers wonderfully incisive and readable reflections on the habits of the household a neighborly space which resists consumerism and enables sexual relationships to be ordinary meaningful and passionate If you think that all that Christian theology has to say about sex and relationships is twaddle about complementarity and family values then this is the book for you Gerard Loughlin Senior Lecturer in Religious Studies University of Newcastle upon Tyne
