Finding Shelter Jesse Freidin, 2017-04-01 The healing beauty and joy of the animal shelter system Without volunteers our nation's animal shelter system simply would not exist Volunteers speak for those that cannot speak pick up the pieces for abandoned animals that have been let down by previous owners or unfortunate circumstances and do whatever it takes to heal the deepest of wounds In Finding Shelter award winning photographer Jesse Freidin shows the softer side of this story He witnessed firsthand how many of the volunteers were able to mend their own emotional hurts with the love the shelter animals gave back to them and how the power of these relationships transforms shelters into places where humans and animals can heal together This realization propelled him to take a two year journey across the country to document the tenderness and healing beauty and joy he encountered within the shelter system The result is a heartwarming inspiration for people to look differently at how to save shelter pets In Finding Shelter Freidin sparks a new discussion about animal rescue and what it feels like to truly love an animal

The Forgotten Ones Rebecca Sapp, 2020-01-15 This is a story of Onyx a rescued puppy waiting for her forever home and the adventures and friends she meets along the way It is a tale of her young life as she grows into an adult while living in the shelter All the while she patiently waits for a real family of her own She loves making new friendships with dogs and humans along the way Her focus is on her forgotten senior dogs Many of these dogs are somehow looked over and forgotten She quickly becomes their voice and strives to keep their hope strong while they too patiently wait sometimes for years to have a home of their own The story is about finding strength and courage in sometimes dire situations It is teaching to learn to trust and the never ending search to love and be loved The hope that Onyx tries to instill in her friends at the shelter is warm and heartfelt The Forgotten Ones is a book that will touch both children and adults to be enjoyed over and over again This story also sends a message that our senior shelter dogs are wonderful and need our help in finding loving homes
