Discovering the Comic in Don Quixote Laura J. Gorfkle,Laura Gillman,1993 Gorfkle challenges the assumption that the comic is inferior to the tragic as a vehicle for expressing serious thought and the belief that the comic has only a secondary function in Cervantes s Don Quixote She systematically surveys the comic mechanisms of the novel from the perspectives of the contemporary literary theories of Bakhtin Girard and Derrida **The Life and Death of Doctor Faustus Made into a Farce** Christopher Marlowe,William Mountfort,2021-04-25 The collection The Life and Death of

Doctor Faustus Made into a Farce offers a unique reimagining of Marlowe's magnum opus deftly transforming the tragic tale of ambition and consequence into a kaleidoscope of farcical interpretations This anthology captures an array of literary styles ranging from dark humor to satirical commentary invoking both laughter and reflection The works within traverse a spectrum of tones and moods magnifying the universality and timelessness of Faustus's narrative while also shining a light on the absurdities of human ambition and folly The diverse reconstruction of Marlowe's classic brings forth new unexpected dimensions and discussions regarding the oft repeated motifs of hubris and redemption Featuring contributions from eminent writers like Christopher Marlowe and William Mountfort the anthology serves as a fascinating intersection between two distinct literary periods the Elizabethan era and the Restoration period The juxtaposition of Marlowe's profound influence on early English drama with Mountfort's Restoration theatrical innovations allows readers to appreciate how the themes of ambition and existential reckoning transcend time and context This curated dialogue among the authors becomes a rich tapestry reflecting the perpetual human fascination with power and immortality This anthology is an invaluable resource for readers seeking to immerse themselves in the wit and wisdom of two pivotal literary figures Perfect for both casual readers and scholars it offers a multifaceted exploration of timeless themes through its eclectic contributions The collection not only educates through its profound insights but also fosters an engaging dialogue encouraging readers to explore history's echo in contemporary life By diving into these contrasting yet complementary pieces one uncovers a treasure trove of truths underlying the human condition rendered through the farcical lens of some of history's richest voices

The English Clown Tradition from the Middle Ages to Shakespeare Robert Hornback,2013 A new account of medieval and Renaissance clown traditions reveals the true extent of their cultural influence From the late medieval period through to the seventeenth century English theatrical clowns carried a weighty cultural significance only to have it stripped from them sometimes violently by the close of the Renaissance when the famed license of fooling was effectively revoked This groundbreaking survey of clown traditions in the period looks both at their history and reveals their hidden cultural contexts and legacies it has far reaching implications not only for our general understanding of English clown types but also their considerable role in defining social religious and racial boundaries It begins with an exploration of previously un noted early representations of blackness in medieval psalters cycle plays and Tudor interludes arguing that they are emblematic of folly and ignorance rather than of evil Subsequent chapters show how protestants at Cambridge and at court during the reigns of Henry VIII and Edward patronised a clownish iconoclastic Lord of Misrule look at the Elizabethan puritan stage clown and move on to a provocative reconsideration of the Fool in King Lear drawing completely fresh conclusions Finally the epilogue

points to the satirical clowning which took place surreptitiously in the Interregnum and the sometimes violent end of licensed folly Professor ROBERT HORNBACk teaches in the Departments of Literature and Theatre at Oglethorpe University Los Pastores Los pastores,1907 **Memoirs of the American Folk-lore Society** ,1907 *Publications* ,1907 **Host Bibliographic Record for Boundwith Item Barcode 38888119429607 and Others** ,1907
