Through the Eyes of a Child Donna E. Norton, Sandra E. Norton, Amy A. McClure, 2003 In its seventh edition *Through the Eyes of a Child* An Introduction to Children's Literature continues to be a visually stunning theoretically sound comprehensive overview of children's literature It focuses squarely on selecting and evaluating quality literature to share with children and guiding them to appreciate and respond to that literature This edition features multicultural literature and young adult literature in every chapter expanded coverage of biographies and informational books and over 100 new children's titles referenced throughout A children's literature CD ROM accompanies the book and contains bibliographic information for thousands of titles making it even easier to share quality literature with children and adolescents

Mapping My Day Julie Dillemath, 2021-03-22 Follow Flora and her zany family as she takes us through her day with a series of vibrant and interactive maps In our current GPS ruled world map reading is something of a dying art But learning to read understand and draw maps is a fun and active way for children to develop spatial thinking skills how we think about and understand the world around us and use concepts of space for problem solving Early exposure to maps concepts can help foster this type of cognitive development in children and boost their math and science learning as they progress through school Each hand drawn kid friendly map highlights key map concepts in the context of a story or puzzle Figure out which route to school is the fastest how to find Flora's buried treasure and even how to complete a dog agility course Includes a Note to Parents Caregivers and Professionals with more information about maps and spatial concepts as well as questions games and activities designed to encourage children to map their own days From the Note to Parents Caregivers and Professionals For readers of all ages the three goals of this book are to 1 show readers that maps can convey many types of information Maps can tell all sorts of stories sometimes more easily than with words 2 inspire kids to draw their own maps and diagrams Drawing spatial relationships is an excellent way to develop this spatial skill and understanding spatial relationships is important for many aspects of life including math and science learning 3 introduce basic map concepts and vocabulary and demonstrate why they are important Each map in the story highlights just one or two map concepts at a time compass rose scale bar legend etc which are necessary for understanding that particular map

American Doctoral Dissertations, 1995

Bridging English Joseph O'Beirne Milner, Lucy Floyd Morcock Milner, 2008 *Bridging English* fourth edition is a comprehensive English methods text that is structured on James Moffett's conception of the universe of discourse in the teaching of English talking and listening writing and reading The textbook combines theory and practice that is overarching structures with particular instructional strategies It provides prospective teachers with a huge array of approaches and activities that are active constructivist and student centered It mirrors that emphasis with boxed Invitations to Reflection that continually survey its readers about their experiences of English classrooms their new learnings as they read the text and their projection into classroom teaching of their own It takes into account the range of student learners a teacher will teach

from the gifted to the reluctant and struggling It addresses the special needs of English language learners It also anticipates the need of its readers prospective teachers to put theory and method into practice by designing and delivering effective units and lessons In several chapters on pedagogy it helps them answer questions such as How do I actually teach writing design a unit evaluate student learning This edition also addresses many of the most persistent issues that arise within the field issues that bubble up in individual classrooms English departments and school communities and in the general culture
