Luis Gomez Llorente Mayor:

En minoría de a uno: La historia de mis ideas y mis hechos Lorenzo Peña, Este libro es una primera versión de la autobiografía de Lorenzo Peña y Gonzalo aspiraba a ser sólo la primera sección de un relato autobiográfico que abarcará a todas las fases de su larga vida pero se termina en 1972 al cumplir el autor 28 años de edad La continuación está todavía por escribir Este texto ha sido desarrollado y reelaborado en otros más recientes y mejor documentados AMARGA JUVENTUD Un ensayo de egohistoria publicado también en papel por la Editorial Muz Moya con el título de ABAJO LA OLIGARQUÍA MUERA EL IMPERIALISMO YANQUI Anhelos y decepciones de un antifascista revolucionario Minorías de lo mayor Fernando Vidal Fernández, 2007

La participación democrática en los centros de enseñanza no universitarios Fernando Gil Villa, 1995 Recoge el informe sobre la participación en la escuela de alumnos profesores padres e instituciones *Escuela para todos* A. Viñao, 2004

Amarga juventud: Un ensayo de egohistoria Lorenzo Peña, 2010-05-01 AMARGA JUVENTUD es un relato de los años mozos del autor Lorenzo Peña y Gonzalo consagrados a la lucha revolucionaria encabezando la escisión prochina del PCE que dio lugar a la creación del PARTIDO COMUNISTA DE ESPAÑA marxista leninista del cual fue el ideólogo y uno de los máximos dirigentes de 1964 a 1972 Disconforme con el viraje de Mao al recibir a Nixon en Pequín en 1972 Lorenzo Peña cesa entonces su militancia recuperando su inicial vocación filosófica que lo llevaría a ser catedrático de la Pontificia Universidad Católica del Ecuador y actualmente Profesor de Investigación de Consejo Superior de Investigaciones Científicas en Madrid El libro es un testimonio para la recuperación de la memoria histórica de la lucha antifranquista No se detiene en 1972 sino que ya mucho más sucintamente narra diversos episodios tanto de su propia vida posterior al cese de la militancia revolucionaria como de las zigzagueantes vicisitudes que atravesar desde entonces la formación fundada por Lorenzo Peña en 1964

España en la memoria de tres generaciones Julio Aróstegui, 2007 Durante el siglo XX tres generaciones de españoles han vivido grandes cambios las generaciones de los años treinta sesenta y noventa y cada una guarda su particular memoria y su juicio del tiempo vivido La visión del pasado y nuestras esperanzas se apoyan sobre la síntesis y la interpretación de esa memoria que ha de realizarse con la vida puesta en el futuro Hasta hace poco tiempo ha sido muy difícil hablar de la memoria de esas tres generaciones y desde luego no se había producido un esfuerzo de clasificación de lo ocurrido ni se había llevado a la práctica una reparación simbólica de las víctimas como reivindicaban asociaciones partidos políticos y sindicatos Los expertos de reconocido prestigio que han participado en esta obra entre los que figuran profesores universitarios profesionales de la magistratura periodistas cargos institucionales políticos y eclesásticos sindicalistas son actores significativos de la vida social política y cultural española del momento Los estudios que presentan aquí abordan la memoria en positivo sin ánimo de abrir heridas sino más bien tratando de iluminar y comprender aspectos oscuros de nuestra historia Las reformas educativas a debate (1982 - 2006) Julia Varela, 2009-10-29 Las conversaciones que mantiene Julia Varela con José Gimeno Sacristán Antonio García Santesmases Juan Delval Juan Ignacio

Ramos Jurjo Torres Santom Mariano Fernández Enguita y Javier Doz nos ayudan a comprender cómo se gestó el mapa actual del complejo y cambiante mundo de la educación escolar permiten avanzar un diagnóstico del estado actual de nuestro sistema de enseñanza y asimismo plantean posibles líneas alternativas para el futuro Los brillantes análisis presentados a lo largo de Las reformas educativas a debate constituyen un material de primera mano de recuperación de la memoria colectiva Sin duda despertar en un vivo interés en el profesorado estudiantes y sus familias así como en responsables políticos y en general en todos aquellos ciudadanos y ciudadanas comprometidos con el futuro de la sociedad la justicia social y curricular y por tanto con la profundización de la democracia en las instituciones educativas Repensar la izquierda Antonio García Santesmases, 1993 El poder municipal en Almería durante la transición a la democracia Mónica Fernández Amador, 2014-02-25 CD ROM **Participación educativa nº 4. Revista cuatrimestral del Consejo Escolar del Estado ,** La generación del 56 Antonio López Pina, 2010 **LA RECONSTRUCCIÓN DEL PSOE DURANTE LA TRANSICIÓN. UNA PERSPECTIVA TERRITORIAL** MATEOS LÓPEZ Abdón , 2017-11-08 Se reúnen en este libro diez investigaciones sobre el proceso de federalización del Partido Socialista Obrero Español en los años inmediatamente anteriores y posteriores a la muerte de Franco partiendo de un modelo muy centralizado Desde 1970 un núcleo de dirección compuesto mayoritariamente por jóvenes del País Vasco y Andalucía con el apoyo de la segunda generación del exilio emprendió la reestructuración de las organizaciones socialistas históricas Aunque el proceso de implantación organizativa fue homogéneo en su despliegue recibió influencias de otras culturas políticas que fue asimilando en el curso de la Transición La existencia de otras alternativas socialistas como el Partido Socialista Popular de Enrique Tierno Galván o la Federación de Partidos Socialistas FPS que aglutinaba a grupos pequeños pero activos y altamente cualificados en zonas geográficas como Madrid Barcelona o Valencia incidieron en la trayectoria política y organizativa del partido A la conversión del PSOE en un partido federal se unió la construcción del Estado de las Autonomías lo que trajo consigo una transformación del modelo organizativo del socialismo español A partir de los años noventa del siglo XX los poderes territoriales adquirieron un creciente peso frente al núcleo central *Aquel PSOE. Sueños de una generación* Virgilio Zapatero Gómez, 2023-06-27 El periodo de gobierno socialista en España presidido por Felipe González es un capítulo crucial en la historia reciente de nuestro país Este libro ofrece una visión detallada y exhaustiva de los logros y avances logrados durante ese tiempo centrándose en los aspectos económicos políticos y sociales Virgilio Zapatero testigo de excepción y protagonista de aquel decisivo momento muestra cómo el gobierno de Felipe González impulsó una serie de reformas y políticas que transformaron el país y mejoraron la calidad de vida de la población El autor habla de aquello en lo que participó durante un periodo que va desde su ingreso en el PSOE en 1972 hasta su dimisión en 1993 como diputado y como presidente de la Comisión Constitucional Su perspectiva está centrada en la obra legislativa pues fueron más de quinientas las leyes además de miles de decretos que tuvo que coordinar en aquellos once años El libro examina la creación de empleo la modernización de la economía la lucha contra la corrupción y el fortalecimiento de la democracia como

algunos de los logros más notables durante ese mandato También se profundiza en las políticas en materia de educación vivienda y salud que permitieron un mayor acceso a servicios básicos para la población y una mejor distribución de la riqueza Además el autor analiza la importancia histórica de Felipe González y su legado destacando su carisma y liderazgo así como su capacidad para inspirar a la sociedad y motivar a los ciudadanos a trabajar juntos por un futuro mejor En definitiva esta obra es una oportunidad única para conocer en profundidad el periodo de gobierno socialista en España presidido por Felipe González y para apreciar su impacto en la historia y en la sociedad española

Indalecio Prieto, socialista y español Octavio Cabezas, 2005

La proyección internacional de un líder político Belén Blázquez Vilaplana, 2006 Esta obra analiza un personaje clave de nuestra reciente Historia Felipe González cuya silueta precisamente por lo próxima que nos queda resulta aún más difícil de analizar El novedoso ángulo de aproximación al objeto de estudio desde la Ciencia Política es poco frecuente en el cúmulo de publicaciones que a diario abordan actividades opiniones y hechos de enorme diversidad y variedad

El marxismo y el fracaso del socialismo organizado en España, 1879-1936 Paul Heywood, 2017-11-16 Frente a habituales interpretaciones que tienden a minimizar la contribución del capital mercantil en la financiación de una economía moderna la tesis que se defiende en esta obra indica que la estrategia inversora llevada a cabo por el comerciante al por mayor en Santander trajo como consecuencia más sobresaliente durante el periodo estudiado una progresiva diversificación de la economía regional acompañada de un apreciable proceso de modernización en sus diversos sectores

El triunfo de la democracia en España Paul Preston, 2018-11-08 Nueva edición actualizada del clásico texto de Preston sobre la transición y la consolidación de la democracia española El triunfo de la democracia en España es el gran libro de Paul Preston sobre la Transición y la consolidación de la democracia española donde retrata las numerosas dificultades y momentos dolorosos de una etapa fundamental de la historia reciente de nuestro país cuando se entremezclaba la fatiga de las camarillas franquistas el fortalecimiento de la oposición moderada y la aparición del terrorismo de distinto signo Pronto fue patente la imposibilidad del continuismo franquista y con gran espíritu de sacrificio y cooperación todos los partidos políticos trabajaron para crear el marco constitucional de la restauración democrática El recuerdo de los horrores de la guerra y de las violencias posteriores fue tal que aun subsistiendo odios personales el consenso político posfranquista se estableció sobre la base de un acuerdo colectivo de renunciar a la venganza Fiel a su estilo Paul Preston recorre el camino que pasa por la desintegración del franquismo la muerte de Carrero Blanco la etapa de gobierno de Arias Navarro la llegada de Adolfo Suárez y la reforma política emprendida la construcción de una democracia con elementos del viejo régimen los intentos de golpe de Estado y la intervención crucial del rey Juan Carlos en todo el proceso que hizo posible el restablecimiento y la consolidación de la democracia en España

Soberanos e intervenidos, estrategias globales, americanos y españoles Joan E. Garcés, 2008-01-01 Con un esfuerzo documental impresionante Garcés acaba con muchos mitos y confirma muchas sospechas de la historia europea y latinoamericana del siglo XX Con especial atención a España donde acaba con la versión edulcorada de

la Transición Isaac Rosa Qu leer En este brillante y documentado ensayo Joan E Garc s se sit a en el intento de desvelar las estrategias pol ticas econ micas y militares de las grandes potencias a lo largo de la segunda mitad del siglo XX que han acabado sometiendo o como m nimo interviniendo en estados independientes mediante mecanismos que se podr an definir suavemente como globalizadores La pol tica mundial ya no es un asunto de buenos y malos sino de intereses concretos que se ponen en pr ctica y que determinan una serie de consecuencias de extrema importancia Ahora que la globalizaci n es un asunto cotidiano ahora que la aceptaci n de este fen meno econ mico y pol tico alcanza cotas insospechadas ser a un error omitir la lectura de este alegato a favor de la soberan a y la autonom a de los pueblos para decidir su destino y del desarrollo de la cultura pol tica como el arma suprema que poseen las comunidades para alcanzar sus objetivos El Pupitre ,

En clave de calidad. La direcci n escolar Rafael Abajo Merino, 2002 Recoge las intervenciones y el desarrollo del Congreso En clave de calidad la direcci n escolar organizado por el Instituto Superior de Formaci n del Profesorado
