Ronaldo The Phenomenon: From Overcoming to the Top of the World Fabricio Sales Silva, 2025-05-02 When I look back I see that every obstacle every pain and every fall was essential for me to become the man I am today Nothing was easy but I never expected it to be And that's what I want to share with you the importance of never giving up even when all seems lost Football has always been more than a sport for me It was my escape my dream my life I remember the first times I played in the street with friends There was no grass there were no uniforms but there was passion I knew that if I wanted something bigger I would have to fight for it And so it was From Bento Ribeiro to Cruzeiro from Cruzeiro to Europe each step was a test of perseverance I want you to know that regardless of what you're facing there's a force within you that's greater than any obstacle You have to fight for your dreams I have always been driven by my dreams even when no one believed in them Life is full of ups and downs but the lows don't define who you are What defines it is the way you react to them the way you decide to keep going even when everything seems impossible I refuse to be defined by my defeats I prefer to be remembered for the times I stood up What I want you to understand is that failure is part of the path but it should never be the final destination When we fall we have two choices stay on the ground or get up and continue to fight I chose the second option and that's what led me to be who I am today
