LUKE

I'll never join you!

VADER

If you only knew the power
of the dark side. Obi-Wan
never told you what happened
to your father.

LUKE

He told me enough! He told
me you killed him.

VADER

No. I am your father.

Luke I Am Your Father Script:

Felix Holt, the True Story P L Quinn, 2017-06-28 *Felix Holt the True Story* is a critical examination of *Felix Holt the Radical* 1866 by George Eliot. Since the novel's publication it has automatically been assumed that the fictional East Midlands market town of Treby Magna where the novel is set must be based upon the Nuneaton of George Eliot's childhood. However, this assumption has made the novel largely unreadable. Whilst Eliot's childhood and her earlier novels are informative towards the construction of *Felix Holt the Radical*, this study proposes that the Treby community is based upon the East Midlands market town of Leicester by far the oldest East Midlands community. It is also proposed that Eliot wanted to write a novel with a similar impact to *Cranford* by Elizabeth Gaskell 1851-1853 in which the community finally pulls together. Hence it is determined that Eliot wrote *Felix Holt the Radical* as a means of unifying the varying rifts of Christian eclecticism into her mode of Humanism. **Introducing Aesthetics and the Philosophy of Art** Darren Hudson Hick, 2022-12-15

Aesthetics and the philosophy of art are about things in the world: things like the Mona Lisa but also things like horror movies, things like the ugliest dog in the world and things like wallpaper. There's a surprising amount of philosophical content to be found in wallpaper. Using a case-driven approach, *Introducing Aesthetics and the Philosophy of Art* is grounded in real-world examples that propel thought, debate and discussion about the nature of art and beauty. Now in its third edition, this tried and tested text features fresh cases and new activities. Hands-on Do Aesthetics activities pepper the text and Challenge Cases appear at the end of each chapter to test intuitions, to complicate the field of discussion and to set a path forward. Charlotte Perkins Gilman's *The Yellow Wall Paper* serves as a recurring case throughout and this edition includes the full text of this classic short story. From classical debates that continue to bother philosophers today to emerging problems of identity, appropriation and morality, this introduction is designed to engage you in a field that itself engages with so much of the world around you. Here is everything you need to know about the history, themes, thinkers and theories to get you started on aesthetics and the philosophy of art. **Secrets of the Force** Edward Gross, Mark A. Altman, 2021-07-13

From the authors of *The Fifty Year Mission* and *So Say We All* comes the first and only comprehensive oral history of the Star Wars movie franchise. For the past four decades no film saga has touched the world in the way that Star Wars has, capturing the imaginations of filmgoers and filmmakers alike. Now for the first time ever, Edward Gross and Mark A. Altman, the bestselling authors of *The Fifty Year Mission*, are telling the entire story of this blockbuster franchise from the very beginning in a single exhaustive volume. Featuring the commentaries of hundreds of actors and filmmakers involved with and impacted by Star Wars, as well as writers, commentators, critics, executives, authors, film historians, toy experts and many more, *Secrets of the Force* will reveal all in Altman and Gross's critically acclaimed oral history format from the birth of the original film through the latest sequels and the new television series. **The Ascender** Tracey L. Pacelli, 2020-03-28 Billy Magnusson, a twelve-year-old boy, has been the target of *The Mandela Effect*, an energy wave that attacks him, erasing pieces of his past and adding

new details to his life script Billy would describe the attacks as like riding a surf board atop waves he can't see coming and he never knows when the next energy wave might hit him These waves isolate Billy they're growing stronger changing bigger chunks of his past and they're driving a wedge between him and his father who seems to know more than he's saying When Billy attends a new school in Florida he's forced to join The Ascension Club where he meets an odd mix of kids he can finally trust with his secret Together they discover a weapon that will soon threaten them all unless they can stop it **The Hound**

Blues Highway Carla D. Williams, 2022-08-14 *Blues Highway* is one migration story of Blacks from the American South, aided initially by the Pullman porters' broad reach into the world beyond. Moving on to the next generation, the porter Sidney sets up his daughter Janet to take hold of his barber shop. As she navigates her life, opportunities and social conditions shift. The power of Janet and Frank's relationship moves the saga forward, touching honestly and deeply on the forces of change. In the end, Janet's move to Atlanta illustrates the return of many African Americans to the New South, where an educated middle class finds success. *Blues Highway* reclaims the impact of Pullman porters in shaping the black migrations, filled with richness and truths, emotion, love, and loss. An early manuscript was recognized as a semi-finalist for the Inaugural Tuscarora Prize in historical fiction in 2019.
