Lula Lisbons Diaries Of A Dirty Dancer Lesbian Lapdance:

Foot Fetish Lapdance Lula Lisbon, Three years as an exotic dancer left author Lula Lisbon with a head full of steamy stories In this semi autobiographical entry of Dirty Diaries Lula has a shy customer named Jay who s always dreamt of worshipping a dominant woman s feet but previous girlfriends had only been disgusted by his fetish He s never had the chance to live his fantasy until Lula takes full advantage of the situation EXCERPT Hmm I demanded pinching the point of his chin to bring his attention back to me I couldn t make out the whispered answer I can t hear you I want to kiss your feet he repeated The blush was deeper on his cheeks his whole body a disclaimer of his abject humiliation I smiled a shark circling its prey What else I want to kiss them lick them suck your beautiful toes feel them on my face my chest my he stopped himself I smirked knowing what he meant to say He plucked at his sleeve once more saying nothing His discomfort strangely enough both melted me and turned me on I wanted to change that about him to make him revel in his desire instead of fear it Get on your knees I ordered Unstrap my heels and place them neatly to the side If you re good you might just get what you want so badly

Lesbian Lapdance Lula Lisbon, Three years as an exotic dancer left Lula Lisbon with a head full of steamy stories In this entry of Dirty Diaries Lula cleverly seduces a bicurious wife giving the Rubenesque beauty her first lesbian experience and making a submissive cuckold out of her rich husband Warning This 5 002 word erotic semi autobiographical confessional contains a BBW s first lesbian experience lesbian sex in the champagne room a cuckolded husband breast play lesbian kissing and female orgasms Adults only All characters are over 18 EXCERPT I didn t go right over to the couple because that would have been too easy for them It s not good to give away your power you play hard to get you tease you play cat and mouse with your prey So I stopped at a handful of guys first flirting a playful touch on the arm here innuendo and a naughty grin there collecting dollars in my cleavage in the back of my g string But I was saving the big guns for the couple I know expensive clothes and an interested woman when I see one for sure I smiled warmly into her eyes as she watched me stalk over as balanced and at ease in my six inch platform heels as I was barefoot Hi honey I m Lula I drawled I liked the nervous desire she exuded it turned me on I just love your necklace And what a great dress your curves look amazing Um th thanks she stammered I thought it was adorable and my smile widened Here s some free advice If you have fears about talking to attractive women take it from me as a current lesbian and former dancer and follow this conversational formula Pick out something she s wearing to compliment but make it a genuine compliment don t say it if you don t mean it Touch her in a natural and non threatening way on her arm or her hand Ask her about herself and listen to her Bring up similar interests draw parallels and little double entendres into the conversation and bring subtle attention to parts of your body Before long you ll be drowning in phone numbers I traced the line of her necklace with one finger stopping just above the deep plunge of her delectable cleavage to finger the sparkling teardrop shaped gemstone With interest I noted her breath catching and the blush rising to her cheeks I m Jessi she said at last I could tell she was struggling to keep her composure

and I loved it And this is my husband Rob I accepted his proffered hand acknowledging him briefly but the majority of my attention was on Jessi This was all part of my script Your first time here Jessi I let my fingers trail down her arm tracing the sensitive skin on the tender inside of her elbow the smooth inner forearm I could feel her skin raising goose bumps and it made my pussy wetter in response I heard her sharp intake of breath saw her porcelain skin blush charmingly I sat down in the booth very close to her She nodded slowly her eyes flickering between the deep valley of my generous breasts and my face It s my birthday and well I ve always been curious Rob had to drag me here he said I d have fun I haven t made up my mind yet She sipped nervously at a glass of white wine hand trembling slightly I leaned over and whispered huskily in her ear Well I have a secret I can t resist uninitiated women especially ones as sexy as you May I have the honor of being your first My hand snaked around her soft waist caressing the luscious curve of her full hip My breasts brushed lightly against hers and I could feel her nipples hardening into pebbles under the thin black silk of her dress Jessi glanced at her husband who was watching this scene with interest His eyes met mine and I winked I d love for you to dance for my wife in the champagne room he said smiling As long as I can watch I laughed I wouldn t have it any other way 3 Girls 1 Pole Lula Lisbon, Jayna and her partner Ava a stripper and pole instructor recently bought a house They ve just installed a pole so Ava can give lessons and they invite their hot friend Emily over to break it in What kinds of kinky fun have the lesbian couple dreamed up for their sexually frustrated BFF and how will Emily react when she s cornered and seduced by the two women she s been crushing on for ages Explicit sexual content All characters depicted are 18 Excerpt Your splits are perfect Jayna I said envious I wish I could do splits like you I try and try but they don t seem to ever get much better Hell I d be happy just to have a woman do splits for me I paused considering Preferably on my face though Instead of the giggles I expected Jayna s face grew calculating Oh yeah What would you do then I could feel my face growing hot but the wine made me bold What do you think Eat her pussy like there s no tomorrow What the hell would you do I know what I d do Ava said Dare you to prove it right here right now I could only stare at her astonished I m serious Jay and I have been fantasizing about a threesome for a long time She paused eyes gleaming I couldn t look away Maybe even about you once or twice So are you in or what I couldn t make my voice work and swallowed hard before finally nodding Ava grinned wickedly and grabbed me around the waist Well then she whispered huskily into my ear I hope you have a lot of stamina because we re going to test this like no tomorrow theory of yours I realized I d been holding my breath and a little high pitched moan escaped me as I exhaled But it wouldn t be right to dive into the main course without some appetizers first huh She let me go and led me back to the couch where Jayna was sitting You ve never come to the club with me so I guess I ll have to bring the club to you I had never had a lapdance of course so I had no idea what to expect beyond what I d gleaned from movies so when she peeled off her top and shorts leaving her in just a little silver g string I m pretty sure my heart skipped a beat or three Ava pushed me down onto the cushy sofa and I found myself sitting practically on Jayna s lap though her thighs were parted to let my ass brush the

crotch of her tiny shorts I could feel the soft mounds of her breasts pressed against my shoulder blades and the heat of her breath on the back of my neck Her hands snaked around me one pulling my knee wider open and the other caressing the underside of my left breast Butt Slut Boyfriend Lula Lisbon, Nikki s a lesbian but she can t help the lingering sexual tension she still feels for her ex boyfriend Mike They hang out one night as friends but things soon grow heated She s missed what he does with his tongue and he s missed what she does with her strap on Is hooking up with an ex really always such a terrible idea Sometimes it s just what both parties desperately need EXCERPT The embrace lingers just a beat too long and I can feel my pulse in my fingertips I hope it s dark enough so that he can t see me blush but he sees something in my face and smiles To my relief Mike doesn t comment I can practically hear his thoughts though I still think you re amazingly sexy his eyes say If you want me I m yours I laugh nervously trying to ease the tension Um are you okay to drive He waggles his hand in a comme ci comme a gesture and shrugs Well you should definitely wait a while to leave then Wanna watch a movie Kay I dig in my bag for my keys and a warm breeze gusts suddenly Again I pick up his scent a mixture of clean male sandalwood and a hint of earthy weed smoke I want to drink him in I bite my lip trying in vain to ignore my rebellious body while I slide the key into the lock The door jerks open and I let him in after me I start up the carpeted stairs to my third floor walk up Suddenly a little self conscious I glance over my shoulder to find him checking out my butt Mike You re looking up my skirt I totally caught you Duh your butt s in my face your skirt is short and I can see right up it Heck yeah I m gonna look I try to keep a stern face but I can t help but laugh You think you get a free show just because you bought the last round You re gonna have to pay for that He only grins up at me obviously unrepentant
