**Luna Park** David W. Francis, Diane DeMali Francis, 1996 When Luna Park in Coney Island New York opened in 1903 outdoor entertainment was dramatically changed in America in the world In 1905 another Luna Park opened on Cleveland's east side to rival Euclid Beach which began operation ten years earlier Like its east coast namesake Luna Park Cleveland's Fairyland of Pleasure dazzled visitors with a fantastic display of electric illumination eclectic architecture Within these pages the story is told of Cleveland's Luna Park that was among the city's favorite summer fun spots from 1905 until the end of the 1929 season when it closed forever The details of the times mood people associated with Luna Park are graphically captured by means of careful research generous illustration good humor The telling of this Luna Park story authors David W Diane DeMali Francis take you back to The origin of Luna Parks The World War Prohibition The ROAR of the Twenties The Great Depression Vaudeville The jazz age ballrooms dance crazes Social struggles of the times The controversies Its competitor parks The rides the FUN *Cleveland's Buckeye Neighborhood* John T. Sabol, 2011 Although it has been called Little Hungary or Little Budapest Cleveland's Buckeye Road neighborhood exceeds that description A more apt moniker might be Little Danube Like the Danube Buckeye's history has flowed through a multicultural immigrant community and into a modern urban neighborhood striving to make its mark Fueled by the industry of its first settlers in the 1880s the district spread from what is now Buckeye Road and Woodland Avenue to the border of Shaker Square Shops restaurants taverns and other businesses too numerous to count flourished The Buckeye neighborhood became a commercial center to serve immigrants and their families who worked at the factories that dotted Buckeye's west end Community life was refueled over the years by waves of immigrants mainly from Hungary fleeing various tides of oppression in Europe As the 1970s approached Buckeye like many Cleveland areas became a victim of urban flight Today residents and businesses along with the Buckeye Area Development Corporation are working to create and sustain another resurgence in this grand neighborhood **Lost Cleveland** Michael DeAloia, 2010-11-26 Lost Cleveland is an engrossing excursion into the city's rarefied architectural air during its heyday as the sixth largest city in the country Author Michael DeAloia recounts the histories of seven culturally significant and iconic architectural gems that defined Cleveland's position of wealth and importance during the industrial age Inspired by noble visions of Cleveland's most elite residents these structures reflect the vigor and imagination that suffused city leaders From Severance Hall still home to the Cleveland Orchestra and the only structure in this collection that remains standing to Andrew's Folly the grandest house built on legendary Millionaire's Row Lost Cleveland provides a revealing historical retrospective on the growth development and ultimate decline of the North Coast's greatest city Historic Amusement Parks of Baltimore John P. Coleman, 2016-04-28 This book presents the rich history of the old amusement parks and beach resorts frequented by Baltimoreans beginning in the 1870s and stretching into the late 20th century Readers may recognize such popular amusement parks as Gwynn Oak Carlin's and Tolchester Beach and will learn about some of the more

obscure places like Frederick Road Park and Hollywood Park Each of the major parks is documented here complete with a detailed history of the sites they were built on the creative owners behind the parks inceptions the individuals and companies who provided the rides and attractions and the people that happily traveled by boat streetcar train and automobile to reach their favorite park or resort

**Hidden History of Cleveland Sports** Marc Bona,2021-06-28 Cleveland sports history goes well beyond The Shot The Fumble The Drive and so many other ignoble moments Many of the city's most illustrious sports tales are long forgotten chapters of tribulations and tragedy of fleeting fame and enduring milestones There are forgotten firsts such as football's first pass and the invention of baseball's slider having ties to Cleveland There are overshadowed tragedies like a fatal crash involving an Indians pitcher occurring the same year two of the team's hurlers were killed in a high profile boating accident And then there are the near misses like George Steinbrenner coming within seconds of owning the Indians and a famous musician who almost became a Cleveland Brown From basketball to boxing hockey to Heisman journalist Marc Bona chronicles more than a century of unremembered tales

**Twilight of Innocence** James Jessen Badal,2005 Chronicles the events surrounding the 1951 disappearance of ten year old Beverly Potts in Cleveland Ohio discussing how it became the nation's first highly publicized missing child case and why it is still unsolved more than fifty years later
