Flick of Sunshine Alexander Jackson Hill, Frederic B. Hill, Frederick B. Hill, 2022-03-15 The true and remarkable life of Richard Willis Will Jackson an intrepid seaman from one of the leading shipbuilding families in 19th century Maine whose exploits and adventures in the oceans of the world would rival characters straight out of the lives and imaginations of Joseph Conrad and Jack London Will Jackson survived a harrowing shipwreck in the Marshall Islands being washed overboard rounding Cape Horn and running down Alaskan glaciers over a tragically shortened life that ended in a most bizarre and pedestrian incident on the eve of realizing his life's ambition appointment as master of a ship After nine months of sometimes perilous life among natives in the South Sea islands in 1884 captured in chapters of a book he helped write Jackson served on a series of large ships and coastal schooners all based in the post Gold Rush boomtown of San Francisco that took him up and down the west coast from Alaska to Mexico and to the four corners of the earth His faithful letters to his family in Maine and a diary provide a colorful background for a compelling portrait of an extraordinary young man of character and independent spirit intellect and curiosity no small ambition and that most admirable of traits an abiding sense of humor A MADNESS Serge Demyanenko, 2008-07-31 This romance novel although fiction is based on the true life adventures of the author It is about real life but a life few people know exists and even fewer get to experience The narrator is a brother in arms and brother in spirit of the protagonist Nick Malenko who sets out to tell these scandalous tales for Nick would never do so himself disdaining publicity and public acclaim Nick is a young man who happens to be smart good looking a rebel at heart and self disciplined because of his upbringing He is an athlete but also a voracious reader loves learning and worships at the altar of Venus He goes to the best schools but he rebels early He marries a woman of color against the convention of the day He has decided that his goal in life is to become the commander of a parachute infantry battalion in the Regular Army of the United States a goal he exceeds in time He graduates as a distinguished military graduate and is commissioned in the regular army Because he is quadrilingual and his education and training the three letter agencies become interested in him He enters the shadowy world of intelligence And then his troubles begin He is bright but lacks the experience to be wise So he mistakes sex and passion for love learning for wisdom and in order to gain a measure of immortality he plunges into one adventure after another thinking that thumbing his nose at fate will bring him immortality In both war time and cold war settings he plunges from one adventure to another from one romance to another The settings are bedrooms and battlefields and the corridors of power in Vietnam Korea Washington D C Germany San Antonio Texas Rio de Janeiro Brazil and Los Angeles California Many years after he started on his journey he realizes that all he was searching for he has had at home He finds that he had love all along and immortality through his loving family and finally finally wisdom comes His long suffering wife used to say to him In your relentless search you create great upheaval and great stress for those around you Being married to you is madness That is why his friends called him The Mad Russian or The Madman That is the reason for the book title
