A Fire in His Soul Miles J. Unger, 2025-03-04 The fascinating story of Vincent van Gogh's two groundbreaking years in Paris where he transformed himself from a provincial unknown into one of the world's great visionary artists Vincent Van Gogh arrived in the French capital on the last day of February 1886 a month short of his thirty third birthday He was a man beaten down by life half starved and nearly broken psychologically He was saved by his brother Theo who provided him with room board and most crucially emotional support while he attempted to master the difficult craft of painting Thus far Vincent's crude scenes of peasant life rendered in murky shades of brown and gray were both hackneyed and amateurish Theo a successful art dealer at a prestigious Parisian firm dismissed them as gloomy unappealing and worst of all unmarketable By the time Vincent left Paris almost exactly two years later he'd transformed himself into one of the most original artists of the age turning out works of hallucinatory intensity in vivid hues and stamped with his own distinctive personality A Fire in His Soul chronicles this remarkable transformation It's a tale filled with tragedy and triumph personal anguish and creative fulfillment as Vincent through sheer force of will reinvents himself as a painter of unparalleled expressive power Along the way the reader will discover an unfamiliar Van Gogh not the solitary genius of the popular imagination shunned by an uncomprehending world and conjuring masterpieces from the depths of his lonely soul In Paris he was at the center of a community of like minded seekers Here Van Gogh was able to engage in a lively dialogue with fellow artists almost as daring as he was expanding his notion of what art could and should be It was in the cafes and studios of Montmartre and in the grand galleries of the Louvre and Luxembourg that Van Gogh received his artistic education a crash course that at first disoriented him but ultimately sparked his creative breakthrough Working alongside such legendary figures as Gauguin Toulouse Lautrec Seurat and Signac he found his voice and launched an artistic revolution
