Lutheran Purgatory Pastors Without Calls:

Lutheran Purgatory Alan Kornacki, 2014-06-20 The Office of the Holy Ministry within the Lutheran Church Missouri Synod is in crisis It is under attack from pastors who act like corporate executives and arrogant overlords from bureaucrats who believe a pastor is a failure if he doesn't act like a corporate executive or a used car salesman and from congregations who believe pastors are merely employees to be hired evaluated and fired Too many pastors have fallen prey to these attitudes and the actions which follow We call them Candidates but these men and their families are our brothers and sisters in Christ and they are suffering These Candidates pastors without congregations suffer in the closest thing Lutherans have to purgatory These are their stories Lord willing we can end their suffering **The Lutheran Witness** ,1884 **Holidays and Rituals of Jews and Christians** Rev. Dr. Salatiel Sidhu, 2013-02-05 If you want to know the heart and soul of a religion learn of its holidays Holidays were originally holy days the days set apart for to focus entirely on religious events and considerations In this book Dr Sidhu puts his years of study and research to use providing both the followers of these religions and those who stand outside these faiths with a look into the heart of Judaism and Christianity through their holidays rituals and customs Providing both the religious and the secular roots of these two kindred religions he guides the reader through the history and evolving importance of holidays and rituals in the lives of believers and the world as a whole as the originally unique practices of faith have been adopted and transformed for secular purposes Business national holidays regional celebrations and festivals all have taken Jewish and Christian times of worship and turned into something quite different In turn Christianity and Judaism themselves have been transformed by adapting religious practice to make use of their followers evolving cultural inclinations This is a fascinating informative and entertaining explanation of what sets Judaism and Christianity apart in the religions and history of the world There is information and food for thought for a devoted follower of these religions as well as for those who stand outside these faiths and desire to understand them better Dr Lee A Brewer Ph D Pastor Glenmont United Methodist Church Silver Spring Maryland 20906 C.F.W.
