

The artwork features a large, dark-skinned knight with spiky brown hair and a confident smirk, resting his chin on his hand. He is the central figure in the background. In the foreground, four other knights are shown in dynamic poses: a girl with blue hair and a purple cape on the left, a boy with pink hair in a white shirt in the center, a girl with green hair and a purple helmet on the right, and a boy in a white hat and blue outfit below the pink-haired knight. A large, dark, mechanical knight is partially visible on the far left. The background is a dark, rocky landscape with a bright purple energy source on the right. The title 'FOUR KNIGHTS OF THE APOCALYPSE' is written in large, blue, stylized letters, with 'The Seven Deadly Sins' in a smaller, red, cursive font below it.

afternoon but Julio Desnoyers with the impatience of a lover who hopes to advance the moment of meeting by presenting himself before the appointed time arrived an half hour earlier The change of the seasons was at this time greatly confused in his mind and evidently demanded some readjustment Five months had passed since their last interview in this square had afforded the wandering lovers the refuge of a damp depressing calmness near a boulevard of continual movement close to a great railroad station The hour of the appointment was always five and Julio was accustomed to see his beloved approaching by the reflection of the recently lit street lamps her figure enveloped in furs and holding her muff before her face as if it were a half mask Her sweet voice greeting him had breathed forth a cloud of vapor white and tenuous congealed by the cold After various hesitating interviews they had abandoned the garden Their love had acquired the majestic importance of acknowledged fact and from five to seven had taken refuge in the fifth floor of the rue de la Pompe where Julio had an artist s studio The curtains well drawn over the double glass windows the cosy hearth fire sending forth its ruddy flame as the only light of the room the monotonous song of the samovar bubbling near the cups of tea all the seclusion of life isolated by an idolizing love had dulled their perceptions to the fact that the afternoons were growing longer that outside the sun was shining later and later into the pearl covered depths of the clouds and that a timid and pallid Spring was beginning to show its green finger tips in the buds of the branches suffering the last nips of Winter that wild black boar who so often turned on his tracks Translated by Charlotte Brewster Jordan 1862 circa 1932 was an American writer and translator best known for her authorized translation of Vicente Blasco Iba ez s Four Horsemen of The Apocalypse which was one of the best selling novels of the early 20th century
