Healthy Healings Detoxification Linda Page, 2008-09. More than 25,000 new toxins enter our environment each year. Detoxification is becoming a necessary commitment for health in the modern world. However, too many fad diets and detox products on the market today are overly harsh and create further health imbalances by depleting the body of essential nutrients. Clearly, Americans need safe detox options that restore the body to good health without these risks and side effects. In *Healthy Healing's Detoxification*, world-renowned naturopath and best-selling author Dr. Linda Page shares her hard-won experience on detoxification and shows you how to cleanse safely and naturally for the best results. With over thirty years of experience in the health field, Dr. Page details critical information on how to cleanse the healthy way and the types of cleanses to avoid. She shows you what you can expect when you cleanse, what a good cleanse really does, and how to direct a cleanse to the body systems that need the most support. Includes step-by-step detox programs for health concerns.
