Hapgood,1999-12 The Acambaro collection comprises hundreds of clay figurines that are apparently thousands of years old however they depict such bizarre animals and scenes that most archaeologists dismiss them as an elaborate hoax The collection shows humans interacting with dinosaurs and various other monsters such as horned men Both Hapgood and Earl Stanley Gardner were convinced that the figurines from Acambaro were authentic ancient artifacts that indicated that men and dinosaurs had cohabited together in the recent past and that dinosaurs had not become extinct many millions of years ago as commonly thought David Hatcher Childress writes a lengthy introduction concerning Acambaro the latest testing and other evidence of living dinosaurs Inside the Gemstone File Kenn Thomas,David Hatcher Childress,1999 It s the most notorious rant in the history of conspiracy theories Consists of hundreds of letters hand written in many segments over a number of years by Bruce Roberts the creator of synthetic rubies According to Gemstone Hughes Aircraft stole Roberts rubies in 1960 for use in laser weapons research His subsequent investigation of the theft inspired Roberts to write the Gemstone letters tracking the secret history of the international mob and industrial espionage and their role in political intrigue In 1975 a 24 page chronology known as the Skeleton Key to The Gemstone File began to circulate and has now become a legendary classic of conspiracy literature **Men and Gods in Mongolia** Henning Haslund,2015-02-25 First published in 1935 this rare and unusual travel book takes us into the virtually unknown world of Mongolia a country that only now after 70 years is finally opening up to the west Haslund a Danish Swedish explorer takes us to the lost city of Karakota in the Gobi desert We meet the Bodgo Gegen a god king in Mongolia similar to the Dalai Lama of Tibet We meet Dambin Jansang the dreaded warlord of the Black Gobi There is even material on the Hi mori an airhorse that flies though the air similar to a Vimana and carries with it the sacred stone of Chintamani Aside from the esoteric and

mystical material there is plenty of just plain adventure The World's Sixteen Crucified Saviors Kersey Graves,2001-09

The World's Sixteen Crucified Saviors has been out of print but sought after for many years A small part of it was reprinted in The Book Your Church Doesn't Want You to Read in 1994 Many people are unaware that before Christianity there were 15 other religions that also had a savior who died for their sins then arose from the dead **The Orion Prophecy** Patrick Geryl,Gino Ratinkx,2001 In the year 2012 the Earth awaits a super catastrophe its magnetic field will turn over in one go Phenomenal earthquakes and tidal waves will completely destroy our civilisation Europe and North America will shift thousands of kilometres northwards into polar climate Nearly the whole earth's population will perish in the apocalyptic happenings These dire predictions stem from Mayans and Egyptians descendants of the legendary Atlantis The Atlanteans had highly evolved astronomical knowledge and were able to exactly calculate the previous world wide flood in 9792 BC They built tens of thousands of mandjits and escaped to South America and Egypt In the year 2012 Venus Orion and several other stars will take the same code positions as in 9792 BC the year of the previous cataclysm For thousands of years historical sources have told of a forgotten time capsule of ancient wisdom located in a mythical labyrinth of secret chambers filled with artefacts and documents from the previous flood this book gives one possible location **The A.T.
