Lost Daughters Their Untold Secrets Golden Book :

The Golden Book Magazine ,1925 **Funny Girls** Michelle Ann Abate,2018-12-05 For several generations comics were regarded as a boys club created by for and about men and boys In the twenty first century however comics have seen a rise of female creators characters and readers While this sudden presence of women and girls in comics is being regarded as new and noteworthy the observation is not true for the genre s entire history Throughout the first half of the twentieth century the medium was enjoyed equally by both sexes and girls were the protagonists of some of the earliest most successful and most influential comics In *Funny Girls Guffaws Guts and Gender in Classic American Comics* Michelle Ann Abate examines the important but long overlooked cadre of young female protagonists in US comics during the first half of the twentieth century She treats characters ranging from Little Orphan Annie and Nancy to Little Lulu Little Audrey of the Harvey Girls and Li l Tomboy a group that collectively forms a tradition of Funny Girls in American comics Abate demonstrates the massive popularity these Funny Girls enjoyed revealing their unexplored narrative richness aesthetic complexity and critical possibility Much of the humor in these comics arose from questioning gender roles challenging social manners and defying the status quo Further they embodied powerful points of collection about both the construction and intersection of race class gender and age as well as popular perceptions about children representations of girlhood and changing attitudes regarding youth Finally but just as importantly these strips shed light on another major phenomenon within comics branding licensing and merchandising Collectively these comics did far more than provide amusement they were serious agents for cultural commentary and sociopolitical change *THE CHINESE FAIRY BOOK - 73 Chinese children's stories* Anon E.

Mouse,2017-08-17 The fairy tales and legends of olden China are as ancient as the land itself They have an oriental glow which can only be found in the orient They glitter like precious stones shine like gold and shimmer like multicoloured silks fluttering in the breeze They contain oriental wealth of fantastic and supernatural action not too dissimilar to the tales in the Thousand and One Nights The 73 stories herein embrace Nursery Fairy Tales Legends of the Gods Tales of Saints and Magicians Nature and Animal Tales Ghost Stories Historic Fairy Tales and Literary Fairy Tales Like the Arabian Nights they will fascinate the young reader and amply repay the attention of the older generations as well Some are exquisitely poetic such as The Flower Elves The Lady of the Moon or The Herd Boy and the Weaving Maiden others like How Three Heroes Came By Their Deaths Because Of Two Peaches carry us back dramatically and powerfully to the Chinese age of Chivalry The summits of fantasy are scaled in the quasi religious dramas of The Ape Sun Wu Kung and Notscha or the weird sorceries unfolded in The Kindly Magician Delightful ghost stories with happy endings such as A Night on the Battlefield and The Ghost Who Was Foiled are paralleled with such idyllic love tales as that of Rose of Evening or such Lilliputian fancies as The King of the Ants and The Little Hunting Dog It is quite safe to say that these Chinese fairy tales will give equal pleasure to the old as well as the young They have been retold simply with no changes in style or expression beyond such details of

presentation which differences between oriental and occidental viewpoints at times compel It is the writer s hope that others may take as much pleasure in reading them as he did in their translation 33% of the net profit from the sale of this book will be donated to charities *Dawn of the Golden Promise* BJ Hoff,2011-08-01 In the fifth and concluding volume of her bestselling The Emerald Ballad Series BJ Hoff brings the exciting Irish American historical drama to a climax with all the passion and power readers have come to expect from her The saga finds Morgan Fitzgerald adapting to life in a wheelchair as a result of an assailant s bullet to his spine Meanwhile his wife Finola must face the dark memories and guarded secrets of her past In New York City policeman Michael Burke is caught in a conflict between his faith and his determination to bring a dangerous enemy to justice This unforgettable series began with the promise of an epic love story and an inspiring journey of faith The finale delivers on that promise About This Series BJ Hoff s Emerald Ballad series was one of the most memorable series published in the 1990s With combined sales of 300 000 copies these beloved books found a place in the hearts of BJ s many fans Now redesigned and freshly covered the saga is available again to a new generation of readers and BJ s many new fans due to her highly successful Amish series The Riverhaven Years The Emerald Ballad series will once again find an enthusiastic audience **The Holy Books of Yahweh** Simeon Singer,Samuel Rapaport,Nurho de Manhar,Heinrich
