Sheskin,2012-06 This is a fact based captivating narrative about the life of a Mossad operative whose destiny has been decided for him through extraordinary circumstances His world of subterfuge and deceit kept him from experiencing love and his motive for living was revenge David Parker searched for adventure in life but instead he discovered that profound hatred ruled and it became a threat to his very existence As a young Christian from Seattle he knew nothing about the Jews and Israel s fight for survival but after he converted to Judaism he found himself battling an evil entity so malevolent and dedicated to the destruction of the young Jewish state that he threw himself into his work in an endeavor to annihilate the enemy first His mission as an assassin for the illustrious Mossad became his obsession and in the end he became a shell of his former self A global consensus was that Radical Islam and their methods of terror had to be defeated for a free world to exist This young man s dedication to that precise cause destroyed whatever sense of decency he had and what could have been a promising life became a life of torment and regret **Contested-election Case of James I.
