The Power of Love Osho, 2016-07-19 Explore the emotional sensations of the many facets of love and affection that bring people

together with one of the twentieth century's greatest spiritual teachers. One of the most important life events is falling in love yet we never learn about it in school. Societies and religions force us into models and thought forms that are often in opposition to an organic model of love which is instead institutionalized by marriage, religious affiliations and nationalism. This results in love that is for most people a painful challenge in one form or another throughout life. In these modern days where the focus shifts more and more to realizing one's individual potential, Osho's *The Power of Love: What Does It Take for Love to Last a Lifetime* helps us to direct our search for love by widening our view, showing us that love has many manifestations and is not limited to the other. One manifestation of love is meditation, a life-changing experience that allows the flowering of real love within oneself and toward others. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi, Nehru and Buddha who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world. *The Book of Children*, Osho, 2013-07-16. Children have a natural authenticity and freedom, a joyfulness and a playfulness and a natural creativity. This book calls for a children's liberation movement to break through the patterns and create the opportunity for an entirely new way of relating as human beings.

Power, Politics, and Change, Osho, 2011-04-12. One of the twentieth century's greatest spiritual teachers examines how to maintain your benevolent motivations without falling prey to the controlling tendencies inherent in those seeking to lead others. *Power, Politics and Change: What Can I Do to Help Make the World a Better Place* takes on the conventional wisdom that power corrupts and proposes instead that those who seek power are already corrupt. Once they attain their goal, their corruption simply has the opportunity to express itself. That's why even those who seek power in order to bring about radical change so often fail despite their best intentions. Osho looks at where this will to power comes from, how it expresses itself not only in political institutions but in our everyday relationships. In the process, he offers a vision of relationships and society based not on power over others but on a recognition of the uniqueness of every individual. Featuring an original talk by Osho on DVD, you'll experience his philosophies and values straight from the source. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi, Nehru and Buddha who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world. *The Book of Women*, Osho, 2014-08-05. In *The Book of Women: A Celebration of Women and the Female Spirit*, one of the twentieth century's greatest spiritual teachers discusses the importance and value of feminine strengths. The woman should search into her own soul for her own potential and develop it, and she will

have a beautiful future Osho explores the role of women in our society Up until now he says both religious institutions and politics have remained male dominated not only male dominated but male chauvinistic This has created so many of the crises that we see in the world now brought about by excesses of ambition competitiveness and greed In these pages Osho challenges readers to reclaim and assert the feminine qualities of love joy and celebration to bring a reunion of the intellect and the heart that is so desperately needed He looks to the female spirit in all of us as a way to nurture the soul and cultivate a healthy relationship with spirituality Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi Nehru and Buddha who have changed the destiny of India Since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world **Learning to Silence the Mind**

Osho,2012-08-21 The mind says Osho has the potential to be enormously creative in dealing with the challenges of everyday life and the problems of the world in which we live The difficulty however is that instead of using the mind as a helpful servant we have largely allowed it to become the master of our lives Meditation is the switch that can silence the mind A sharper more relaxed and creative mind one that can function at the peak of its unique intelligence is the potential Osho introduces meditation for contemporary life Back cover *Living on Your Own Terms* Osho,2013-03-12 In *Living on Your Own Terms* What Is Real Rebellion one of the twentieth century s greatest spiritual teachers reveals how you can resist the rules and regulations that oppose your values while retaining your own individuality People can be happy only in one way and that is if they are authentically themselves Then the springs of happiness start flowing they become more alive they become a joy to see a joy to be with they are a song they are a dance Osho Decades after the rebellions of the 1960s new generations are again challenging and rebelling against outdated structures and values focusing on political and economic systems and their failings But this generation has the opportunity and responsibility to move the development of human freedom to the next level Osho s philosophies will support these future generations in expanding their understanding of freedom and pushing toward new systems for humanity Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi Nehru and Buddha who have changed the destiny of India Since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world [The Journey of Being Human](#) Osho,2012-04-24 The Osho Life Essentials series focuses on the most important questions in the life of the individual Each volume contains timeless and always contemporary investigations into and discussions of questions vital to our personal search for meaning and purpose focusing on questions specific to our inner life and quality of existence *Fear*

Osho,2012-10-16 One of the greatest spiritual teachers of the twentieth century invites you on a journey through what makes human beings afraid and how confronting fears strengthens us In *Fear Understanding and Accepting the Insecurities of Life* Osho takes the reader step by step over the range of what makes human beings afraid from the reflexive fight or flight response to physical danger to the rational and irrational fears of the mind and its psychology Only by bringing the light of understanding into fear's dark corners he says airing out closets and opening windows and looking under the bed to see if a monster is really living there can we begin to venture outside the boundaries of our comfort zone and learn to live with and even enjoy the fundamental insecurity of being alive Fear features a series of meditation experiments designed to help readers experience a new relationship with fear and to begin to see fears not as stumbling blocks but as stepping stones to greater self awareness and trust Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi Nehru and Buddha who have changed the destiny of India Since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world *Moral, Immoral, Amoral* Osho,2013-03-12 One of the

twentieth century's greatest spiritual teachers reveals how to find true north on your moral compass even while living in a divisive world I don't say cultivate morality I say become more conscious and you will be moral But that morality will have a totally different flavor to it It will be spontaneous it will not be ready made Osho In a global world we are in search of universal values values based on a contemporary understanding that unifies us as human beings beyond the divisions of religions nations and race In *Moral Immoral Amoral What Is Right and What Is Wrong* Osho speaks directly to this contemporary search as he introduces us to a quest for values that make sense in the world we live in a quest that goes far beyond moral codes of behavior and comes from an inner connectivity and oneness with existence Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi Nehru and Buddha who have changed the destiny of India Since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world **Belief, Doubt, and Fanaticism** Osho,2012-04-24 In *Belief Doubt and Fanaticism* Osho brings his

unique and often surprising perspective to the religious political social and economic forces that drive people into opposing camps fanatical groups and belief systems that depend on seeing every other as the enemy As always the focus is first and foremost on the individual psyche and consciousness to identify the root causes and hidden demons of our human need to belong and have something to believe in *Joy* Osho,2010-04-01 One of the twentieth century's greatest spiritual teachers inspires us to experience and appreciate both the elation and sadness of Joy The Happiness That Comes from Within With an

artful mix of compassion and humor Osho shows us that joy is the essence of life that even unhappiness has its root in joy He encourages us to accept joy by being grateful to be alive and for the challenges and opportunities in life and by finding the good in all that we have rather than setting conditions or demands for happiness By embracing joy one comes closer to a true peaceful and balanced state Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi Nehru and Buddha who have changed the destiny of India Since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world *Intelligence* Osho,2007-04-01 In *Intelligence* The Creative Response to Now one of the twentieth century s greatest spiritual teachers reveals a different approach to thinking about our brainpower In *Intelligence* Osho challenges the common conception that the best way to promote intelligence is to train the intellect Intellect is logical he says intelligence is paradoxical Intellect takes things apart to see how they work intelligence puts things together to see the functioning of the whole Osho posits that when our education systems put too much emphasis on developing intellect an imbalance is created and both the individual and the society suffer It is only through intelligence that we can respond creatively to the challenges of a changing world By exploring the distinction between intellect and intelligence *Intelligence* encourages readers to be more aware of how they approach problems logical emotional and practical and how they solve them Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi Nehru and Buddha who have changed the destiny of India Since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world EditBuild **Sex Matters** Osho,2003-07-11 One of the greatest spiritual thinkers of the twentieth century explores the physical and emotional intimacies of men and women in *Sex Matters* Sex to Superconsciousness Sex matters to us all The Osho approach to sex begins with an understanding of how important love is in our lives while at the same time acknowledges that the journey into love cannot exclude our innate biological energies With this perspective it becomes clear that the tendency for religions and for society in general to associate sex with sin and morality has been a great misfortune *Sex Matters* begins by deconstructing the layers of sexual repression that the condemnation of sex has inflicted on humans Throughout the book in response to questions about everything from jealousy to premature ejaculation the role of intimacy and the differences between men and women Osho proposes a vision that embraces sex as a fundamental gift from nature We learn how orgasm offers a glimpse of timelessness thoughtlessness and pure awareness biology s way of pointing toward the consciousness that helps us to understand ourselves Finally we are presented with a clear choice a repressed sexuality that leads to

pornography perversion and a stunted humanity or a playful respectful and relaxed innocence that supports us in becoming fulfilled and whole as nature intended Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi Nehru and Buddha who have changed the destiny of India Since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world

Not My Shame Martina Zangger, 2025-08-26 A testament to the power of female courage and strength this intensely personal memoir reveals how one woman confronted her dark past and broke free from lifelong trauma bonds Not content with only healing herself author Martina Zangger has dedicated her life to helping other sexual assault survivors as they navigate both their healing journeys and the complexities of the criminal justice system Her frankness in narrating her startling life choices displays the potency of shedding shame and the freedom that follows Sexually abused by her grandfather and uncle as a small child Martina's early years became the foundation for a life of struggles and wrong turns Like many victim survivors Martina kept her trauma a secret a suppression that led her into sex work and ultimately into the grip of the notorious cult of the Indian guru Rajneesh For decades Martina believed she was a magnet for abusers that the sexual violence she endured was somehow her fault But healing has allowed Martina to bravely face the

tragedies she once buried and to place the blame where it belongs No longer silenced by shame Martina s greatest discovery is that love doesn t have to be dangerous that it can be respectful and kind instead This is her story and it is a story of hope for all survivors
