love had awakened **Love between Equals** Polly Young-Eisendrath,2019-01-15 Learn how to successfully negotiate conflicts and deepen our most intimate relationships in this practical and thoughtful guide by an experienced Buddhist teacher psychotherapist and couples counselor A committed relationship as most people see it today is a partnership of equals who share values and goals a team united by love and dedicated to each other s growth on every level This contemporary model for coupledom requires real intention and work and more often than not the traditional archetypes of relationships experienced by our parents and grandparents fail us or seem irrelevant Utilizing the wisdom of her years of personal and professional practice Young Eisendrath dismantles our idealized projections about love while revealing how mindfulness and communication can help us identify and honor the differences with our partners and strengthen our bonds These practical and time tested guidelines are rooted in sound understanding of modern psychology and offer concrete ideas and the necessary tools to reinforce and reinvigorate our deepest relationships **God at the Edge** Niles

Goldstein,2010-03-10 Here is a book about adventure raw experience and facing inner demons Niles Elliot Goldstein is a young rabbi who sets out to find God in tough and often scary situations dogsledding above the Arctic Circle taking the Silk Road into Central Asia without a visa being chased by a grizzly bear cruising with DEA agents through the South Bronx and spending a night in jail in New York City s Tombs He explores the connections between struggle and growth fear and transcendence and uncertainty and faith seeking the boundary where the finite meets the Infinite Goldstein is not alone in making this kind of pilgrimage There has always been a strong tradition of seekers who looked for revelation outside conventional religious settings and encountered God in moments of anguish terror and pain Goldstein juxtaposes his own experiences with those of some of the great historical figures of Judaism and Christianity Jonah and St John of the Cross Moses Maimonides and Julian of Norwich Nachman of Bratslav and Martin Luther as well as lesser known mystics and preachers and he discovers as they did that it can sometimes take a journey to the edge to recognize God s presence in our lives *The Beginner's Guide to Insight Meditation* Arinna Weisman,Jean Smith,2007-12-18 Arinna Weisman and Jean Smith

combine clear explanations of the Buddha s teachings on freedom and happiness with their personal stories highlighting some of the challenges and insights of practice The Beginner s Guide to Insight Meditation offers advice about going on retreat and help in choosing a teacher and a sangha practice community as well as suggestions for further reading and information on various Insight Meditation or Vipassana centers and resources Here is an enormously practical book that covers every aspect of the teachings a beginner needs to get started Heal Thy Self Saki Santorelli,2010-04-07 Perhaps our real work whether offering or seeking care is to recognize that the healing relationship the field upon which patient and practitioner meet is to use the words of the mythologist Joseph Campbell a self mirroring mystery the embodiment of a singular human activity that raises essential questions about self other and what it means to heal thy self Saki Santorelli Today we are experiencing extraordinary technological advances in the diagnosis and treatment of illness while at the same

time learning to take more responsibility for our own health and well being In this book Saki Santorelli director of the nationally acclaimed Stress Reduction Clinic explores the ancient roots of medicine and shows us how to introduce mindfulness into the crucible of the healing relationship so that both patients and caregivers begin to acknowledge that we are all wounded and we are all whole His approach revolutionizes the dynamics of the patient practitioner relationship In describing the classes at the clinic and the transformation that takes place in this alchemical process he offers insights and effective methods for cultivating mindfulness in our everyday lives As he reveals the inner landscape of his own life as a health care professional and we join him and those with whom he works on this journey of human suffering and courage we become aware of and honor what is darkest and brightest within each one of us [The Yoga Sutras of Patanjali](#) Alistair Shearer, 2010-03-24 A wonderful translation full of contemporary insight yet luminous with eternal truth Jacob Needleman The Yoga Sutras were cast in their present form in India around the third century b c Yoga is from the Sanskrit root meaning union and a sutra is a thread or aphoristic verse The basic questions Who am I Where am I going What is the purpose of life are asked by each new generation and Patanjali s answers form one of the oldest and most vibrant spiritual texts in the world He explains what yoga is how it works and exactly how to purify the mind and let it settle into absolute stillness This stillness is our own Self It is the indispensable ground for Enlightenment which is the ultimate goal of all our aspirations Alistair Shearer s lucid introduction and superb translation fully preserving Patanjali s jewel like style bring these ancient but vital teachings to those who seek the path of self knowledge today Bell Tower s series Sacred Teachings offers essential spiritual classics from all traditions May each book become a trusted companion on the way of truth encouraging readers to study the wisdom of the ages and put it into practice each day **The Holy Trinity and the Law of Three** Cynthia Bourgeault, 2013-07-09 Just as she s done in her previous books Cynthia Bourgeault asks us to take a look at an idea from traditional Christianity this time the formula of Father Son and Holy Spirit as though we re looking at it for the first time And as usual she reveals it to be something we hadn t expected at all She finds in the idea of the Holy Trinity a striking vision of the nature of reality What she claims in a nutshell is that embedded within this theological formula that Christians recite mostly on autopilot lies a powerful metaphysical principle that could change our understanding of Christianity and give us the tools so long and so sorely needed to reunite our shattered cosmology rekindle our visionary imagination and cooperate consciously with the manifestation of Jesus s Kingdom of Heaven here on earth She looks to the history of Christian theology to her own years of contemplative practice and to the ideas of G I Gurdjieff Her tone is as ever as accessible as it is compelling and it s a wild ride I will do my best to make the ride as smooth as possible she says but in the end my commitment is to getting there because I know beyond all personal doubt that there is indeed a ham radio concealed inside this Trinitarian tea cupboard And in the midst of this long winter of our Christian discontent when spiritual imagination and boldness are at an all time low and the church itself hovers at the edge of demise for lack of an animating vision perhaps now

more than ever the time is ripe to remove the packing boards from this tea cupboard and release its contents *The Wisdom Way of Knowing* Cynthia Bourgeault, 2003-10-13 Drawing on resources as diverse as Sufism Benedictine Monasticism the Gurdjieff Work and the string theory of modern physics Cynthia Bourgeault has crafted her own unique vision of the Wisdom way in this very accessible book nicely balanced between concept and practice Gerald May senior fellow Shalem Institute and author *Addiction and Grace* and *Will and Spirit* The spiritual wisdom and practical suggestions in this lively and beautiful book will be helpful to many who find themselves setting out on the interior journey Bruno Barnhart a Camaldolese monk and author *Second Simplicity* The Inner Shape of Christianity Cynthia Bourgeault's book is a valuable contribution to the much needed reawakening of spiritual practice within a Christian context Her sincerity good sense metaphysical depth and broad experience make her a source to be trusted Kabir Helminski Sufi Shaikh the Threshold Society

The Heart of Centering Prayer Cynthia Bourgeault, 2016-12-27 The best selling author of *The Wisdom Jesus* and *The Meaning of Mary Magdalene* demystifies the popular Christian meditation method rooted in contemplative prayer Centering Prayer is the path to a wonderful and radical new way of seeing the world It is not as is sometimes thought simply an act of devotional piety nor is it simply a Christianized form of other meditation methods Cynthia Bourgeault here cuts through the misconceptions to show that Centering Prayer is in fact a pioneering development within the Christian contemplative tradition She provides a practical complete course in the practice and then goes deeper to analyze what actually happens in Centering Prayer the mind effectively switches to a new operating system that makes possible the perception of nonduality With this understanding in place she then takes us on a journey through one of the sources of the practice the Christian contemplative classic *The Cloud of Unknowing* revealing it to be among the earliest Christian explorations of the phenomenology of consciousness Cynthia Bourgeault's illumination of the Centering Prayer path provides compelling evidence of how important the practice has become in the half century since it first arose among American Trappist monks and of its maturation and refinement over the ensuing years of sincere study and practice It will resonate with beginners on the Centering Prayer path as well as with seasoned practitioners

The Wisdom Jesus Cynthia Bourgeault, 2008-08-12 A new view of Jesus as a Buddha like wisdom teacher who taught the transformation of consciousness with traditional contemplative practices you can do yourself If you put aside what you think you know about Jesus and approach the Gospels as though for the first time something remarkable happens Jesus emerges as a teacher of the transformation of consciousness The Wisdom Jesus provides a new perspective on Christ and an expansive interpretation of His message Cynthia Bourgeault creates a masterful guide to Jesus's vision and the traditional contemplative practices you can use to experience the heart of his teachings for yourself *Eye of the Heart* Cynthia Bourgeault, 2020-09-08 This groundbreaking book shares the evolution of Cynthia Bourgeault's spiritual journey and offers a new map to understanding energy and our collective reality In *Eye of the Heart* Cynthia Bourgeault investigates the imaginal realm an energetic realm well known to

the mystical traditions but often forgotten in our own times It is invisible to the physical eye but clearly perceptible through the eye of the heart The imaginal realm has long been associated with the personal world of dreams prophecy and oracles and it also points toward a higher vision of our human purpose that is both evolutionary and collective Bourgeault explores both aspects of imaginal reality and shows readers how we can cooperate more fully with its guidance in our lives Expertly blending her own lived experiences with research on the imaginal realm Bourgeault explores how her personal relationships have helped to bring these teachings into sharper focus and the role this realm plays in Christian and other mystical traditions She delves into the connections between our inner consciousness and what happens in the world exploring the transformative energy and governing conventions that make the manifestation of this realm possible Eye of the Heart presents Bourgeault's spiritual journey with the imaginal realm and encourages readers to attune their hearts for the well being of the world
