Walker Percy Books of Revelations Gary M Ciuba examines how Percy s apocalyptic vision inspires the structure themes and strategies of his fiction This book explores the unity of the southern novelist s fiction by focusing on its religious and artistic design one of the first studies to approach Percy s work from this perspective Ciuba considers Percy s six published novels The Moviegoer The Last Gentleman Love in the Ruins Lancelot The Second Coming and The Thanatos Syndrome and also offers the first extended critical analysis of his unpublished work The Gramercy Winner Although the novels are often seen as increasingly satiric jeremiads about the possible doom of America Ciuba argues that Percy s fiction is principally shaped by a demythologized and partially realized form of eschatology This apocalyptic vision has less to do with the end of the external world than with the demise of the protagonists internal worldviews According to Ciuba Percy does more than offer direly comic warnings about the end of the world he shows how the world actually ends and then may begin again in the everyday lives and extraordinary loves of his astonished seers **Kaapse bibliotekaris** ,2012 Issues for Nov 1957 include section Accessions Aanwinste Sept 1957 *The Novels and Tales of the Right Hon.
