Love You Best Little Moose:

I Love You Best Little Moose Rachael, Sanger,2015-11-10 Get swept away to the north with this emotional children's book as Little Moose opens his eyes for the first time to discover the world around him through the majesty of Alaska's unique animals, places and scenes. Through the height of mountains, through the beauty of sunrises and the brightness of stars, your child will gain a better understanding of the amount of a parent's love. Follow Little Moose page by page as he tries to guess what his parent loves more than all the beauty that Alaska offers. You and your child will find this story charming and endearing with its colorful illustrations that truly express the limitless love a parent feels for their child. *I Love you Best Little Moose* is a book that you will want to read over and over again with your loved one. *Where the Best Began* L. D. Bergsgaard,2012-05 It's true what many say. Time and age have a way of rounding off the edges and making jagged pieces of the past seem clear and smooth and bright. But for those of us growing up in the small prairie town of Mandan, North Dakota, in the 1950s, those truly were times when every day was an adventure, every neighbor was a story, and everyone belonged somewhere because we were all connected and trusted others to know that. Young Moose knows it's going to be an unusual year when his new teacher looks like a goat and is even ornerier, a neighborhood posse is hot on the trail of a felon, and the ancient ghosts are dancing in the light of a full moon. His days are full of trials, including the cancelling of Christmas, tittering on the brink of flunking a grade, and losing his position as catcher on the baseball team. It's also a time of runaway horses and bucking pigs, a quest for the truth of the birds and the bees, and of taking a giant step towards manhood. Come follow Moose and his friends, an Indian Shaman, a Gypsy King, and a mystical boy named Mickey, as they travel through the adventures. Page 4 of cover. **Purple Diamonds Dance** Steven M. Grames,2011-03-14 The courageous true story of a married couple living life with the trials of juvenile diabetes. **I Love You Best Little Moose**,2015 *Mooseheart Magazine*,1921 **Life**,1901 **Forest and Stream**,1899 **The Dairy Farmer**,1924 **Enjoy the View** Sarah Morgenthaler,2021-01-19 The award-winning author of *The Tourist Attraction* turns up the charm with this wild, funny, and unforgettable small town romance. When bold former Hollywood darling River Lane heads to Moose Springs, Alaska, to film a documentary, she's out to reclaim her future, no matter how grumpy the townsfolk or how steep the mountains. But after the locals turn her down, the only hope of finishing her film might be from the quiet brooding Easton Lockett. He may be a gentle giant, but he knows a thing or two about survival. Together, River and Easton must outwit unpredictable weather, quirky wildlife, each other's stubborn resolve, and their fierce chemistry. It'll take all of Easton's skill to get them home safely, and just maybe convince River she should stay in his arms for good. Bursting with laugh-out-loud moments, charming side characters, and sparkling banter, *Enjoy the View* is a must-read where the scenery is as breathtaking as the slow burn. Praise for *Enjoy the View*: Delightful, refreshing, and authentic. This is a treat. Publishers Weekly. Fans of the series will be happy. Swiftly Irv Burnett,2018-03-14 This is a story about a young man who people say was the greatest defensive back in the history of football whom no one really ever knew He had the love and compassion and all the physical tools accompanied with a tremendous amount of courage of any man who ever played the game Unfortunately though like so many others in life circumstances out of his control and some in his control caused him to detour from his dreams and lifetime goals But he was one hell of a football player who could do anything on the field as a defensive back Some say that he could almost fly He even developed technical skills that some coaches use today Through all his ups and downs he never lost his values or morality He just played the game that he loved dearly Some people say there was no one better at the cornerback position than Swiftly Some women say there was no one better at other things I highly recommend the reading of this truly great and true story to any young man who thinks he has what it takes to play the corner back position at the high school or college level I also suggest that after reading this book he takes a long hard look in a mirror and ask himself do I really have what it takes to play the corner back position
