Love's Sure Dawn Naomi Rawlings, 2015-11-02 USA Today bestselling author Naomi Rawlings returns to Eagle Harbor for the third novel of her fan favorite series with the story of the youngest Cummings sibling Rebekah. No matter how hard she tries to help Rebekah Cummings always ends up causing more problems than she solves. This time though things will be different. She'll find a way to pay her family's debts even if doing so requires leaving Eagle Harbor. Maybe then they'll start treating her as a capable woman who makes her own choices. Gilbert Sinclair is going to marry an heiress. With his latest business venture sunk at the bottom of Lake Superior he needs money to replace the steamship he lost so he heads to Chicago where his father's business connections should land him a suitable wife. Like most things in his meticulously planned life everything goes as expected until he discovers Rebekah Cummings working as the new cook on his ship. Rebekah well remembers the pain she endured the last time she tried trusting Gilbert and Gilbert can't afford to pursue the love of a working class woman. But they can't stop the forgotten feelings swirling between them or ignore the sacrifices they'd both have to make for a future together. Rawlings, 2015-03-23 Over 450,000 copies sold in the series She's given up on hope for the future. He's given up on the town where he grew up but God hasn't given up on either of them. Tressa Danell is finished with men from the wastrel who left her a widow to the smelly trapper who keeps proposing to the banker who wants to repossess her bakery. Every hour is spent working to pay off her late husband's debt and keep a roof over her son's head though it's doubtful she can do both for very long. But one thing's certain she'll never be beholden to a man again. Tired of living in a small town that blames him for actions his father committed ten years ago Mac Oakton is scheduled to leave Eagle Harbor. So why does the pretty widow at the bakery keep tugging at his heart? He can't get involved in her predicament when he'll only be around for two more weeks. But when Tressa's burdens overwhelm her they both face a decision. Can Mac set his own plans aside to help? And can Tressa accept his support if that means giving up her independence and being obligated to a man again. *Paperbound Books in*
