Love's Glory: Re-creations of Rumi Andrew Harvey, 2002 *Return to Joy* Andrew Harvey, Carolyn Baker, 2016-10-13
Return to Joy is a compelling and potent invitation to the reader to consider that joy is the ultimate nature of reality and that its absence lies at the root of the current unprecedented global crisis In this book Andrew and Carolyn mine the mystical wisdom of the ages that places joy at the core of our existence and purpose as a species moving forward to consider in depth the myriad enemies of joy in our time As we tend the fires of joy we celebrate its seven flames and nurture its ubiquitous presence whether in the background or the foreground of our lives **An Uncommon Bond** Jeff Brown, 2015-05 In this higher consciousness love story author Jeff Brown introduces the concept of uncommon bonds through the profound connection between Sarah and Lowen two soul mates who have found their way to one another yet again In this remarkably engaging story we walk beside the lovers as they touch the divine and then struggle to ground their love in daily life From the heights of sacred sexuality to the depths of human foible they ultimately have to choose die to this love or shrink back to mediocrity open to the next portal of possibility or postpone it until the next lifetime Shaped and reshaped in love's cosmic kiln Sarah and Lowen become a symbol of our own longing for wholeness in the presence of another This book is not a regular love story It is not like anything written before It is more of a sacred text one that people will turn to for years to contemplate discuss and understand the ecstasies and challenges of love In a world that yearns for deep soul connection An Uncommon Bond provides a blueprint of possibility for all of us reminding us of the luminous nature of great love and showing us the opportunities for expansion that live at its heart The path of the beloved is no easy walk but the fruits of our labor are ripe with blessings **Rumi** Jalāl al-Dīn Rūmī (Maulana), 2004 **Rumi** Franklin Lewis, 2000 This is a definitive guide to the life and work of Jall al Din Rumi Franklin D Lewis's text considers not just the man but also his times his legacy and his role in a changing world **The Book Review** , 2002 *Anthology of Magazine Verse and Yearbook of American*

Poetry, 1997 Alan F. Pater, 1997-05 **The Quatrains of Rumi** Jalāl al-Dīn Rūmī (Maulana), 2008 This is the first complete translation of the nearly 2 000 quatrains attributed to Jalaluddin Rumi the famous 13th century mystical poet It is the result of over 22 years of collaboration by an American Rumi scholar and an Afghan scholar of Persian literature It should appeal to a wide variety of lovers of Mawlana Rumi's poetry not just specialists general readers who seek a deeper understanding of his spiritual teachings than popularized books often interpretive versions claimed as translations can provide as well as those interested in religious mysticism in general and Islamic mysticism sufism in particular The quatrains are ordered according to stages and themes of the lover and beloved spiritual disciple and sufi master Most of the translations are followed by explanatory notes those intended for the general reader have asterisks and often refer to the Notes an appended glossary Readers who have access to previously published translations and versions of the quatrains can use the appended Concordance to make comparisons Quatrains in the earliest manuscripts that have been found to be composed by earlier poets have been identified and placed in another appendix Few of the quatrains have been previously translated by scholars the quatrains in popularized books are often distorted versions mostly rendered by authors who do not know Persian those who do often tend to omit change or add Here the poems are presented in the context of the Islamic sufi poetry in the Persian language 800 years ago wine and drunkenness do not involve alcoholic intoxication but are metaphors for the mystical taste of spiritual grace and ecstasy The lover's longing and self effacing love is not romantic but spiritual love of the seeker for his sufi guide This love is a means to the goal of pure worship of God Most High the only Beloved that necessitates self effacement and mystical drowning in the reality described in the Qur'an Everything perishes except His Face
