Loves Widowhood Other Alfred Austin:

Love's Widowhood: and Other Poems Alfred Austin, 1889 *The Fin-de-siècle Poem* Joseph Bristow, 2005 Featuring innovative research by emergent and established scholars *The Fin de Siecle Poem* throws new light on the remarkable diversity of poetry produced at the close of the nineteenth century in England Opening with a detailed preface that shows why literary historians have frequently underrated fin de siecle poetry the collection explains how a strikingly rich body of lyrical and narrative poems anticipated many of the developments traditionally attributed to Modernism Each chapter in turn provides insights into the ways in which late nineteenth century poets represented their experiences of the city their attitudes toward sexuality their responses to empire and their interest in religious belief The eleven essays presented by editor Joseph Bristow pay renewed attention to the achievements of such legendary writers as Oscar Wilde John Davidson Ernest Dowson Lionel Johnson and W B Yeats whose careers have always been associated with the 1890s This book also explores the lesser known but equally significant advances made by notable women poets including Michael Field Amy Levy Charlotte Mew Alice Meynell A Mary F Robinson and Graham R Tomson *The Fin de Siecle Poem* brings together innovative research on poetry that has been typecast as the attenuated Victorianism that was rejected by Modernism The contributors underscore the remarkable innovations made in English poetry of the 1880s and 1890s and show how woman poets stood shoulder to shoulder with their better known male contemporaries Joseph Bristow is professor of English at the University of California Los Angeles where he edits the journal *Nineteenth Century Literature* His recent books include *The Cambridge Companion to Victorian Poetry* *Oscar Wilde Contextual Conditions* and the variorum edition of Oscar Wilde's *The Picture of Dorian Gray* **The Saturday Review of Politics, Literature, Science and Art**, 1889 **Reviews (EasyRead Super Large 24pt Edition) (Volume 3 of 3)**, *Annual Report* New York Society Library, 1893 **Victorian Afterlives** Robert Douglas-Fairhurst, 2002 *Victorian Afterlives* examines a Victorian obsession with influence the often unpredictable after effects of words and actions in fields as diverse as mesmerism and theology literary theory and sanitation reform

Whiton, 1911 *Tennyson Among the Poets* Robert Douglas-Fairhurst, Seamus Perry, 2009-10-08
Published to mark the bicentenary of Alfred Tennyson's birth these essays offer an important revaluation of his achievement and its lasting importance After several years in which the temper of criticism has been largely political and often hostile towards Tennyson in particular a number of influential recent accounts of Victorian poetry have rediscovered the virtues of a closer style of reading and the benefits and pleasures of an approach that without at all ignoring social and cultural contexts approaches them through a primary alertness to textual detail and literary history This volume including entirely

commissioned work by a wide range of critics and scholars from across the profession in both Britain and North America seeks to bring such forms of attention to bear on the immense variety of Tennyson's career by exploring the complex and multiple connections between Tennyson and other writers his predecessors his contemporaries and his successors Collectively the essays describe an intricate network of affiliation and indebtedness resistance and reconciliation They provide a unique assessment of Tennyson's origins work and imaginative legacy as he enters upon his third century **The Cambridge bibliography of English literature. 3. 1800 - 1900** Frederick Wilse Bateson, 1940 **Alfred Austin: Victorian** Norton B.
