Drugs John Baselmans,2016-12-06 When we think of drugs we immediately think of the old guard drugs like cocaine heroin and hemp Other than that there are for some time synthetic drugs XTC made in many forms colors and effects We talk in this book about the ordinary old fashioned drugs in the form of cocaine We're going to expose what is behind and who are the true drug dealers The old fashioned drug is still the trade with which the super rich enrich themselves Also it is the elite who use a lot of this stuff You can make it clear that most of the top in the business world but also the politics and those who move into higher layers are the permanent users of the cocaine stuff Often in the most pure form and often used daily like a breakfast and dinner But first I like to elaborate some things what is cocaine and who are the driving forces behind these drugs according to world organizations of detecting drugs Let's talk about drugs
