Loving And Leaving The Good Life Good Life Series:

Loving and Leaving the Good Life Helen Nearing, 1993-03-01 Helen and Scott Nearing authors of *Living the Good Life* and many other bestselling books lived together for 53 years until Scott's death at age 100. *Loving and Leaving the Good Life* is Helen's testimonial to their life together and to what they stood for: self-sufficiency, generosity, social justice, and peace. In 1932, after deciding it would be better to be poor in the country than in the city, Helen and Scott moved from New York City to Vermont. Here they created their legendary homestead, which they described in *Living the Good Life: How to Live Simply and Sanelly in a Troubled World*, a book that has sold 250,000 copies and inspired thousands of young people to move back to the land. The Nearings moved to Maine in 1953, where they continued their hard physical work as homesteaders and their intense intellectual work promoting social justice. Thirty years later, as Scott approached his 100th birthday, he decided it was time to prepare for his death. He stopped eating, and six weeks later, Helen held him and said goodbye. *Loving and Leaving the Good Life* is a vivid self-portrait of an independent, committed, and gifted woman. It is also an eloquent statement of what it means to grow old and to face death quietly, peacefully, and in control. At 88, Helen seems content to be nearing the end of her good life. As she puts it: "To have partaken of and to have given love is the greatest of life's rewards. There seems never an end to the loving that goes on forever and ever." *Loving and Leaving* are part of living. Helen's death in 1995, at the age of 92, marks the end of an era. Yet, as Helen writes in her remarkable memoir, "When one door closes, another opens. As we search for a new understanding of the relationships between death and life, this book provides profound insights into the question of how we age and die." *The Good Life of Helen K. Nearing* Margaret O. Killinger, 2007 A lively biography of the famous homesteader and author Helen Knothe Nearing. *Simple Food for the Good Life* Helen Nearing, 1999-05-19 Fifty years before the phrase "simple living" became fashionable, Helen and Scott Nearing were living their celebrated Good Life on homesteads, first in Vermont, then in Maine. All the way to their ninth decades, the Nearings grew their own food, built their own buildings, and fought an eloquent combat against the silliness of America's infatuation with consumer goods and refined foods. They also wrote or co-wrote more than thirty books, many of which are now being brought back into print by the Good Life Center and Chelsea Green. *Simple Food for the Good Life* is a jovial collection of quips, quotes, and one of a kind recipes meant to amuse and intrigue all of those who find themselves in the kitchen willingly or otherwise. Recipes such as Horse Chow, Scott's Emulsion, Crusty Carrot Croakers, Raw Beet Borscht, Creamy Blueberry Soup, and Super Salad for a Crowd should improve the mood as well as whet the appetite of any guest. Here is an antidote for the whole foods enthusiast who is fed up with the anxieties and drudgeries of preparing fancy meals with stylish, expensive, hard-to-find ingredients. This celebration of salads, leftovers, raw foods, and homegrown fruits and vegetables takes the straightest imaginable route from their stem or vine to your table. The funniest, crankiest, most ambivalent cookbook you'll ever read, said *Food & Wine* magazine. This is more than a mere cookbook, said *Health & Science* magazine. It belongs to the category of classics destined to be remembered through the

ages Among Helen Nearing's numerous books is Chelsea Green's *Loving and Leaving the Good Life* a memoir of her fifty year marriage to Scott Nearing and the story of Scott's deliberate death at the age of one hundred Helen and Scott Nearing's final homestead in Harborside Maine has been established in perpetuity as an educational program under the name of The Good Life Center Wise Words for the Good Life Helen Nearing, 1999 As one of the leading twentieth century practitioners of self sufficient living Helen Nearing found illumination and solace in the sayings of predecessors who had sought their own versions of the good life By grouping the wisdom of the ages into categories that are quirky yet eminently sensible she brings to life the contemporary relevance of some of the most profound chroniclers of our rural heritage **Vegetarian Times**, 1990-12 To do what no other magazine does Deliver simple delicious food plus expert health and lifestyle information that's exclusively vegetarian but wrapped in a fresh stylish mainstream package that's inviting to all Because while vegetarians are a great vital passionate niche their healthy way of eating and the earth friendly values it inspires appeals to an increasingly large group of Americans VT's goal To embrace both **At Home in Nature** Rebecca Kneale Gould, 2005 Gould's attention to the ironies and ambivalences that abound in the practice of homesteading provides fresh and insightful perspective Beth Blissman Oberlin College This luminously written ethnography of the worlds that homesteaders make significantly broadens our understanding of modern American religion In richly textured descriptions of the everyday lives and work of the homesteaders with whom she lived Gould helps us understand how the tasks of clearing land making bread and building a garden wall were ways of taking on the most urgent issues of meaning and ethics Robert A Orsi Harvard University This is a fascinating authoritative and accessible look at one of America's most important subcultures If you ever get around to building that cabin in the woods or especially if you don't you'll want this volume on the bookshelf Bill McKibben author of *Wandering Home* A Long Walk Across America's Most Hopeful Landscape Rebecca Gould's compelling book on American homesteading brings the study of the religion nature connection in the U S to a new place Catherine L Albanese author of *Nature Religion in America* From the Algonkian Indians to the New Age Gould provides brand new data and sheds new interpretive light on familiar figures and movements *At Home in Nature* is a model of how to seamlessly blend ethnography and history Bron Taylor University of Florida editor of the *Encyclopedia of Religion and Nature* American Women Conservationists Madelyn Holmes, 2004-04-20 This collection of biographies describes twelve women conservationists who helped change the ways Americans interact with the natural environment Their writings led Americans to think differently about their land deserts are not wastelands swamps have value and harmful insects don't have to be controlled chemically These women not only wrote on behalf of conservation of the American landscape but also described strategies for living exemplary environmentally sound lives during the past century From a bird lover to a back to the land activist these women gave early warning of the detrimental effects of neglecting conservation The main part of this work covers six historical figures who pioneered in their thinking and writing about the environment Mary Austin Florence Merriam Bailey Rosalie

Edge Marjory Stoneman Douglas Helen Nearing and Rachel Carson A later chapter gives portraits of six post World War II conservationists Faith McNulty Ann Zwinger Sue Hubbell Anne LaBastille Mollie Beattie and Terry Tempest Williams The work covers a broad range of conservationist concerns including preservation of deserts and old growth forests wildlife protection wetlands maintenance self sufficient sustainable ways of producing food and pollution control A conclusion examines where conservationists have picked up after Rachel Carson s Silent Spring 1962 and gives conservation ideas for our time An appendix lists the published writings of the twelve conservationists *Un-Jobbing* Michael L Fogler,2003-09-16

Notable American Women Susan Ware,2004 This latest volume brings the project up to date with entries on almost 500 women whose death dates fall between 1976 and 1999 You will find here stars of the golden ages of radio film dance and television scientists and scholars civil rights activists and religious leaders Native American craftspeople and world renowned artists For each subject the volume offers a biographical essay by a distinguished authority that integrates the woman s personal life with her professional achievements set in the context of larger historical developments Vegetarian Times ,1992-05 To do what no other magazine does Deliver simple delicious food plus expert health and lifestyle information that s exclusively vegetarian but wrapped in a fresh stylish mainstream package that s inviting to all Because while vegetarians are a great vital passionate niche their healthy way of eating and the earth friendly values it inspires appeals to an increasingly large group of Americans VT s goal To embrace both *A Handmade Life* William Coperthwaite,John Saltmarsh,2007-03-07 A richly textured exploration of Bill Coperthwaite s work and thought encouraging us to take the lessons of his life to heart Each of us has the potential to craft our own lives with our own hands actively joyfully and nonviolently drawing upon the wisdom of our ancestors striving for justice in the present and fulfilling our obligations to those who will inherit our legacy John Saltmarsh William Coperthwaite is a teacher builder designer and writer who for many years has explored the possibilities of true simplicity on a homestead on the north coast of Maine In the spirit of Henry David Thoreau Emily Dickinson and Helen and Scott Nearing Coperthwaite has fashioned a livelihood of integrity and completeness buying almost nothing providing for his own needs and serving as a guide and companion to hundreds of apprentices drawn to his unique way of being *A Handmade Life* carries Coperthwaite s ongoing experiments with hand tools hand grown and gathered food and handmade shelter clothing and furnishings out into the world to challenge and inspire His writing is both philosophical and practical exploring themes of beauty work education and design while giving instruction on the hand crafting of the necessities of life Richly illustrated with luminous color photographs by Peter Forbes the book is a moving and inspirational testament to a new practice of old ways of life **Up Tunket Road** Philip Ackerman-Leist,2010-05-14 Ever since Thoreau s Walden the image of the American homesteader has been of someone getting away from civilization of forging an independent life in the country Yet if this were ever true what is the nature and reality of homesteading in the media saturated hyper connected 21st century For seven years Philip Ackerman Leist and his wife Erin lived without

electricity or running water in an old cabin in the beautiful but remote hills of western New England Slowly forging their own farm and homestead they took inspiration from their experiences among the mountain farmers of the Tirolean Alps and were guided by their Vermont neighbors who taught them about what it truly means to live sustainably in the postmodern homestead not only to survive but to thrive in a fragmented landscape and a fractured economy Up Tunket Road is the inspiring true story of a young couple who embraced the joys of simple living while also acknowledging its frustrations and complexities Ackerman Leist writes with humor about the inevitable foibles of setting up life off the grid from hauling frozen laundry uphill to getting locked in the henhouse by their ox But he also weaves an instructive narrative that contemplates the future of simple living His is not a how to guide but something much richer and more important a tale of discovery that will resonate with readers who yearn for a better more meaningful life whether they live in the city country or somewhere in between

Stories of Home Devika Chawla, Stacy Holman Jones, 2015-09-17 Stories of Home Place Identity Exile offers a window into the distinct ways that home is theorized and conceptualized across disciplines The essays in this volume consider how people speak and story home in their everyday lives why home is central to our notion of who we are and how making home a unit of analysis in research makes a strong conceptual contribution to the field of communication This collection engages home from diverse contexts and disparate philosophical underpinnings at the same time the essays converse with each other by centering their foci on the relationship between home place identity and exile Home how we experience it and what it says about the selves we come to occupy is an exigent question of our contemporary moment Stories of Home Place Identity Exile delivers timely and critical perspectives on these important questions

50 Things to Do in Maine Before You Die Nancy Griffin, 2017-07-15 The ultimate to do list for

Mainers and visitors alike What better way to celebrate 50 years of book publishing than to celebrate the greatest things Maine has to offer Following the popular trend in bucket list books this experiential guide will help visitors and residents alike discover everything there is to do here Taken all together these experiences are enough to fill a life time *Quest for Walden* Loren C. Owings,1997 Ever since Henry David Thoreau penned his masterpiece *Walden* a chronicle of his two year sojourn in the woods of Concord Massachusetts Americans have yearned for a return to pastoral life to a place where the simplicities and beauty of nature dictate a quality of life not found in modern urban America The metaphor of *Walden* inspired many to seek out and write about country life and the back to the land movement in America This is the first book length study of that interesting genre the country book written primarily for urban dwellers It gives detailed content analyses of both country life essays and guides to country living from 1863 through 1995 *The Chelsea Green Reader* Ben Watson,2014-12-02 Chelsea Green the Vermont based independent publisher has always had a nose for authors and subjects that are way ahead of the cultural curve as is evident in this new anthology celebrating the company s first thirty years in publishing The more than one hundred books represented in this collection reflect the many distinct areas in which we have published from literature and memoirs to progressive politics to highly practical books on green building organic gardening and farming food and health and related subjects all of which reflect our underlying philosophy The politics and practice of sustainable living The Chelsea Green Reader offers a glimpse into our wide ranging list of books and authors and to the important ideas that they express Interesting and worth reading in their own right the individual passages when taken as a whole trace the evolution of a highly successful small publisher something that is almost an oxymoron in these days of corporate buyouts and multinational book groups From the beginning Chelsea Green s books were nationally recognized garnering positive reviews accolades and awards We ve published four New York Times bestsellers and our books have set the standard for in depth how to books that remain relevant years often decades beyond their original publication date Chelsea Green was born from a single seed the beauty of craft Craft in writing and editing in a story well told or a thesis superbly expressed writes cofounder and publisher emeritus Ian Baldwin in the book s foreword Today craft continues to inform all aspects of our work design illustration production sales promotion and beyond It has even informed our business model In 2012 Chelsea Green became an employee owned company With the rise of the Internet new media platforms and a constantly shifting bookselling landscape the future of publishing is anything but predictable But if Chelsea Green s books prove anything it is that despite these challenges there remains a hunger for new and important ideas and authors and for the permanence and craftsmanship of the printed word Today our ongoing mission is stronger than ever as we launch into our next thirty years of publishing excellence **The WomanSource Catalog & Review** Ilene Rosoff,1995 **The Seven Habits of the Good Life** Kalman J. Kaplan,Matthew B. Schwartz,2006-07-27 In *The Seven Habits of the Good Life* the authors highlight seven biblical gifts self esteem wisdom righteousness love healthy appetite prudence and purpose and

present each one as an alternative to one of the seven deadly sins Each gift gives readers a chance to enrich their lives by integrating concern for themselves with a healthy concern for others rather than punishing themselves for bad behavior Incorporating clinical case studies the voices of real people and biblical stories this book shows how the wisdom of the scriptures can provide us concrete ways of redefining difficult situations and approaching life in a way that strives for fullness harmony and balance

The Charles Colson Collection: The Good Life / How Now Shall We Live? Charles Colson, 2017-01-10 This collection bundles two of popular author Chuck Colson's classics into one volume for a great value

The Good Life What constitutes the good life Chuck Colson explores the ways in which people define and live the pursuit of happiness Colson uses fascinating real life stories to illustrate the philosophies and worldviews by which individuals seek the good life Colson speaks directly and revealingly about his Watergate years and he examines the beliefs and assumptions that make up the fabric of our lives **The Good Life** searches for answers to the questions we all ask Who am I Why am I here How can I make my life count

How Now Shall We Live True Christianity goes far beyond John 3:16 beyond private faith and personal salvation It is nothing less than a framework for understanding all of reality It is a worldview

In How Now Shall We Live the 2000 Gold Medallion winner for best book about Christianity and society Chuck Colson and Nancy Pearcey show that the great spiritual battle today is a cosmic struggle between competing worldviews Through inspiring true stories and compelling teaching they demonstrate how to
