Loving God The Path To A Deeper Walk With Christ:

A Deeper Walk Marcus Warner, 2022-08-02 Too many Christians are stuck and unable to go deeper in their walk with God because traditional discipleship models are overly left brained and miss the heart These models are broken and need to be re engineered if the Western Church is going to produce spiritually vibrant and emotionally mature disciples In *A Deeper Walk* Marcus Warner examines how status quo discipleship broke down and provides a model for whole brained heart focused discipleship based on the gospel s four essential elements freedom identity spirit and heart focused community FISH A Bible teacher at heart Marcus Warner is the president of Deeper Walk International and has a passion for taking complex topics and making them practical and accessible for everyone *A Deeper Walk* is the flagship title from this growing and dynamic organization seeking to revolutionize the way discipleship is done in the West *A Deeper Walk in God's Love* Dottie Burdette, 2022-06-24 Do you wonder why we are to be the salt of the earth Have you stopped to think God gave us the gifts he wanted us to have and the ability to use them Would you like to know how being absent from the body is to be present with the Lord helps with the loss of loved ones In *A Deeper Walk in God's Love* author Dottie Burdette writes about God the things of God and what God shares with her and asks her to share with the world In this her second book she encourages you to dig deeper into God's word creating a hunger to know God and his ways more intimately Written in a devotional style *A Deeper Walk in God's Love* reveals God's love for us through Burdette's experiences in her quiet time in prayer time and through his word *Paths to God* Javier Echevarria, 2017-03-31 How can a person live his faith seriously in our time Bishop Javier Echevarria takes up key questions of faith God's existence and the many ways people find their path to God While focusing on the most important aspects of faith life he also addresses the causes of the loneliness and isolation that afflict so many people today Particularly insightful are his reflections on suffering Bishop Echevarria was born in Madrid Spain in 1932 He worked closely with St Josemaria Escriv the founder of Opus Dei from 1953 until his death in 1975 Following the death of Bishop Alvaro del Portillo in 1994 he was elected Prelate of Opus Dei and in the following year ordained bishop by Pope John Paul II Bishop Echevarria has lived in Rome during the pontificates of six popes as well as during the Second Vatican Council This experience along with his many pastoral visits on six continents gives him a broad knowledge of the situation of present day believers and the challenges facing the Church throughout the world He is the author of eight books *No King but God* Michael Manning, 2015-09-18 Can faith be an idol Can the state grant freedom What about wealth *No King but God* takes up the revolutionary cry found on the lips of Jesus and his contemporaries in the first century to argue that we need the same desire to see God as King in all areas of our lives From the marginal and prophetic perspective of the Isle of Man and informed by a decade of pioneering work among the homeless five contemporary idols are unmasked The church is given a provocative challenge to embody an alternative The response to the idols of faith freedom the state wealth and the individual is not right belief or special prayers but the humble path of walking as Jesus

Higton,2020-07-09 The lives of Christian churches are shaped by doctrinal theology That is they are shaped by practices in which ideas about God and God s ways with the world are developed discussed and deployed This book explores those practices and asks why they matter for communities seeking to follow Jesus Taking the example of the Church of England this book highlights the embodied affective and located reality of all doctrinal practices and the biases and exclusions that mar them It argues that doctrinal theology can in principle help the church know God better even though doctrinal theologians do not know God better than their fellow believers It claims that it can help the church to hear in Scripture challenges to its life including to its doctrinal theology It suggests that doctrinal disagreement is inevitable but that a better quality of doctrinal disagreement is possible And finally it argues that by encouraging attention to voices that have previously been ignored doctrinal theology can foster the ongoing discovery of God s surprising work **Christian Treasury** ,1850
