therapy food combining and juicing I even met Jack LaLanne one of my personal fitness heroes For three years I ate only organically grown food and unrefined whole grains and all of my childhood allergies and food sensitivities seemed to fade away At five feet six inches I weighed a lithe 136 pounds and felt great At the end of those three years we sold the restaurant and everyone moved on and in the next phase of my journey I once again became an omnivore Even as my weight gradually increased I maintained excellent health which I attributed to those three dynamic years of immersion in a healthful lifestyle By the time my wife Susan and I opened our own restaurant and bakery in 1986 I weighed 155 pounds and had become stocky When we sold the business seven years later I was up to 165 pounds and would have been heavier were it not for the daily physically intense work of baking thousands of loaves of bread which helped me burn off a lot of calories As soon as I stepped out of daily production and transitioned into teaching at culinary schools and writing books I started gaining more weight and quickly The accumulated effects of tasting glorious white flour breads of all types along with access to the handiwork of fabulous chefs and restaurants to which I lost all ability to say no caused my weight to balloon to over 200 pounds Searching for the perfect pizza as I researched my book American Pie didn't help either but I sure was having fun Fortunately I never stopped working out so even though I was to put it bluntly fat it was firm fat marbled with muscle Nonetheless it was cause for concern especially that most pernicious of fats belly fat So recently with Susan's encouragement I decided it was time to get serious about losing weight I had already met Denene Wallace a few years earlier at a private tasting of some of her gluten free products and was impressed with how good they were Gluten sensitivity is a subject I had been tracking since 1991 shortly after my first book Brother Juniper's Bread Book came out Around that time Loree Starr Brown who had been a regular customer at Brother Juniper's Bakery came in one day with a box of homemade breads and muffins based on the recipes in my book but all made with rice flour instead of wheat flour They were delicious Loree proceeded to educate me about celiac disease a medical condition that nearly killed her before it was finally diagnosed and treated by removing all traces of gluten from her diet

Keto Recipes for Accelerated Weight Loss Olivia Rose,2019-03-18 In this book not only do I help you understand what the Ketogenic diet is all about but also share some recipes for the various meals you will be consuming through the day As the Ketogenic diet consists of consuming a large amount of fats proteins and uses a low amount of carbs it works wonders if you have been trying your best to achieve that fabulous body you have always wished to achieve However do remember while diets work in a simple and effective manner it is all up to you That is it all depends on how you maintain the balance and not just eat healthy but also tries to indulge in a little physical activity at least three to four times a week If you do not lead a sedentary life or your work does not involve too much of physical activity monitor the intake of calories per day If you lead a life which is heavy in physical activity you will need to accordingly adjust the ratio of fat to protein to carbs accordingly As per the Keto diet your daily diet should include a higher amount of fat a moderate amount of protein and a low percentage of carbs While several people claim that diets are not the best way forward to losing weight it is only because they tried and failed The reason for them failing is not the diet but infact it is because they don t begin the diet on the right note or are unable to maintain the balance in what they eat or drink and hence the diet they should have been on turns into a

disaster for them
