Ways to Lucena Mois Benarroch, 2019-04-07 In one of his major works Lucena Benarroch goes from time travel to social comment which brings to mind the hilarious novels of Kurt Vonnegut Jr An old odd ancient man is reaching the age of 1 000 years and has to pass his legacy to his great great great grandson and prepares him for a journey that will last a thousand years His first days begin in the Jewish city of Lucena at the beginning of the second millennium and ends in Israel and in Spain He meets his descendant in a hotel in Malaga while the young adolescent is trying to find his place in life and family writing science fiction short stories and fighting with his parents This novel will take you back and forth from the future and back to the past into a world of Sephardi Jewry the inquisition Mexican Jews and back to our present day crazy modernity Lucena is an internal exploration of the why of exile And it is a modern road peppered with dialogues poems tales and various plots and story lines All this is set under the solemn shadow of a person called Lucena who is one thousand years old For the reader who wants to enjoy and at the same time learn something This is a rich literary cosmos of hedonism There in El Hoshana May God save us began the dominance of Judaism in Sefarad and ended that of Babylonia One hundred fifty years a Jewish city strong and prosperous The city of faith and true worship of God not like today The city of my ancestors and yours a forgotten city neither so important nor dramatic Not Toledo or Granada but then in the eleventh century it was a Jewish city And nobody thought it could ever be a city with no Jews

Andalusian in Jerusalem MOIS BENARROCH, 2018-01-15 Mois Benarroch is an intriguing and unique writer A writer must follow his books his readers his words Otherwise he's unforgivable That's why I wandered about the streets of Jerusalem as if my book were leading me somewhere as if I had no choice but to follow my words I followed my words and my words chased me The words I spoke in class when I was eight lacking much sense without clearly understanding why in the school in Lucena at the end of the world I'm a Jew just as I said it to my best friend in secret a secret which lasted half a morning before the whole class knew it and one day longer before it was on everybody's lips from students to headmaster My intimate friend I think his name was Raul said to me I knew it Which I couldn't understand how could he know it if I had invented it But everybody knew it the very same day that is everybody told me they knew I was an odd guy
