The Good Marriage: How and Why Love Lasts Judith Wallerstein,2019-08-09 When it first appeared in 1995 The Good Marriage became a best seller It offers timeless clues to the secret of happy long lasting marriages Based on a groundbreaking study of fifty couples who consider themselves happily married psychologist Judith Wallerstein presents the four basic types of marriage romantic rescue companionate and traditional and identifies nine developmental tasks that must be successfully undertaken in a good marriage separation from the family of origin up and down vicissitudes of early years children balance of work and home dealing with infidelities and more The men and women Wallerstein interviewed readily admit that even the best relationship requires hard work and continuing negotiation especially in the midst of societal pressures that can tear marriages apart But they also convey an inspirational message for almost all of them feel that their marriage is their single greatest accomplishment The Good Marriage explains why and its lively mix of storytelling and analysis will challenge every couple to

think in a profoundly different way about the most important relationship in their lives Should be required reading for all who are interested in marriage W Walter Menninger Should prove a lifesaver for many couples Publishers Weekly Will enrich the sparse literature on happy marriages USA Today One of the nice things about The Good Marriage is its modesty It doesn't pretend to offer a philosophy or even a lecture on marriage It takes no position on the ideologically charged issues of women's marital roles and status Equally important it ignores the two most common ways of talking about marriage as a contract negotiated between two equal parties and as the pathway to individual fulfillment For this reason it is refreshingly free of rights talk and therapy talk Indeed Wallerstein places much more emphasis on the development of good judgment and a moral sense than on the acquisition of effective communication or negotiation skills Barbara Dafoe Whitehead The Atlantic A lagniappe to enduring couplehood The strength of this study is that Ms Wallerstein a gifted interviewer persuades the couples to reveal their interior lives in rich explicit detail Susan Jacoby The New York Times Book Review Written in a masterful style that often reads like the best popular fiction Wallerstein and Blakeslee again combine their substantial talents deftly and entertainingly exploring the foundations of good marriages Tara Aronson San Francisco Examiner Chronicle Groundbreaking Boston Globe This is a wonderfully readable and immensely valuable book full of wise and original insights about the many many roads to marital happiness Judith Viorst With wisdom humor and sympathetic understanding Judith Wallerstein helps us recognize and rediscover the good marriage lucid psychologically sophisticated and generously wise David Blankenhorn Newsday Historically informative as well as profoundly wise psychologically Joan M Erikson For a long time as a Rabbi I've been using The Good Marriage by the late Judith Wallerstein in my pre marital counseling She provides amazingly helpful insights which open up conversations and lead couples to think much more deeply about what they are getting themselves into and what they might need to do to keep their marriages strong Rabbi Carl M Perkins A welcome addition to the field of literature on contemporary marriage The style is clear concise sensitive and occasionally personal Her personal additions add warmth emotional consciousness and greater insight into what makes individuals and couples happy in their relationships This book has value for the many audiences interested in relational theory that want to approach relationships from a realistic and positive perspective Nancy Williford Clinical Social Work Journal In The Good Marriage Wallerstein's new study of 50 married couples offers affirmation that the process of marriage itself presents a vehicle for transformation A best selling author Wallerstein employs a thoughtful nonaggressive style that appeals to the general public Wallerstein has performed an invaluable service in The Good Marriage Elizabeth M Tully M D Journal of Academy of Child and Adolescent Psychiatry Solid impressive Those interested in social policy should be pleased that so well respected a liberal academic as Ms Wallerstein has written a book that celebrates marriage and points the way toward restructuring it Wall Street Journal With extraordinary skill and compassion Wallerstein and Blakeslee take us inside the lives of fifty American couples and find that a good marriage still provides the best framework for enduring love and intimacy Sylvia Ann

Hewlett A very appealing book clearly written and clearly thought out Library Journal Wallerstein's major contribution is not about how and why love lasts but about how and why love develops It is in such a context less idyllic but more realistic that the book will prove to be a lasting contribution Readings A Journal of Reviews and Commentary in Mental Health

McCall's, 1993 The Happy Couple's Handbook Andrew G. Marshall, 2019-04-30 If you're about to walk down the aisle you want every day to be as happy as your special day However while there is lots of advice on planning a wedding there's precious little to prepare you for the rest of your life together If you're lucky your mother will offer a few tips and your father will make some jokes but otherwise you're on your own Perhaps it's some years since you promised to love and cherish each other and the pressures of everyday life have taken the shine off things Throw in the sort of crises that everyone faces at some point like financial problems losing a parent family rows and infidelity and it's easy for the love between the two of you to be seriously damaged So what are the secrets of happy couples that stay strong rather than grow apart In this groundbreaking book marital therapist Andrew G Marshall explains that it's not chemistry that keeps partners connected but skills It's likely that you didn't learn these skills as a child because your parents didn't know them or couldn't explain them Maybe they avoided conflict fought like cat or dog or split up when you were young so never showed you to fall out safely make up and resolve differences Fortunately it's never too late to learn how to communicate better and repair your relationship even if you're on the verge of splitting up Marshall draws on thirty plus years working with over three thousand clients to give you his tried and test tool kit for a happy marriage It includes The rules for constructive arguments How to be a better listener Use carrots rather than sticks How to forgive and move on *Forthcoming Books* Rose Arny, 1993

Thompson, 2018-10-16 In the beginning marriage doesn't seem as though it should be all that difficult But it doesn't take long for trouble to seep in and for bad habits to become entrenched Before long many married couples may be wondering when the worse part ends and the better part starts Pastor and author Kevin A Thompson has good news for couples the better part is always within reach when they practice eight specific commitments to each other These commitments have the power to solve almost any problem a marriage faces and to prevent new ones from occurring With biblical insights and engaging personal stories Thompson shows couples how to see their marriage as bigger than themselves avoid both apathy and aggression release the desire for power make and maintain peace endure difficult times and more Perfect for newlyweds and for married couples at any stage of life Happily is the gateway to a more loving more joy filled marriage Rebel Secrets Stephanie Julian, 2025-09-14 They're absolutely wrong for each other Rebel Erin Wright has been driving me crazy since she became my sister's best friend Too chatty too bright too damn distracting The last thing I need while adjusting to my new AHL team is

her sunny personality reminding me of everything I left behind in St David My family My team My home But when my brother s wedding forces us together for dance lessons the heat between us ignites into something I never saw coming One scorching kiss leads to one night that changes everything Now I can t stop thinking about the fire beneath all that sweetness and I want more and positively hot for each other Erin Rebel Lawrence is a muscle bound brooding hockey player who s made it clear he can barely tolerate me That s fine My hands are full running my bakery and bookstore without chasing after my best friend s grumpy older brother But the night of the wedding something shifts Maybe it s the way he looks at me when he thinks I m not watching Maybe it s the heat in his touch during our dance I can t even blame the champagne All I know is that when we end up in bed together our chemistry is explosive The problem He s leaving I m staying And neither of us expected to want more than one night Sometimes the person who drives you crazy is the one who can drive you wild **New**
