Luke The Book Of Blessings And Woes:

Luke Megan McKenna, 2009 For Christians of our time Megan McKenna explores the meaning of the blessings and woes pronounced by Jesus on the plains of Galilee She calls us to the heart of the gospel and to be converted to discipleship in Jesus kingdom of God Readers learn about Jesus teachings through his parables as well as through perceptive stories about Zen masters Jewish rabbis Japanese gods Sufi mystics and stories told by well known figures such as Thomas Merton and Leo Tolstoy We learn that compassion the source of blessings means being with others in their pain and suffering and knowing their pain as our own *Young Learners' Lesson-book on the Gospel of Luke* Henry George Spaulding, 1890 **We Live**

Inside a Story Megan McKenna, 2010 In the realm of the Spirit and when dealing with our own souls and the souls of others we are often at a loss for words We have a sense maybe even an image of what we want to share ask or communicate but words are harder to find and express Stories are the glue that hold us together in whatever groups we belong to even if we only visit or find ourselves on the margins In a sense our God is a story being told and God is seeking for all of us to listen to enter into the story and become one Megan McKenna uses images of Russian nesting dolls to illustrate the many layers of the stories that exist in each of our lives particularly in relation to the Spirit Stories are critical to living and are intertwined with truth in such a way that we can carry them with us remember them and pass them along sharing them as needed We live inside a story We live inside God **Blessings and Woes** Megan McKenna, 1999 **Like a Hammer Shattering Rock**

Megan McKenna, 2013-02-05 Renowned Catholic author Megan McKenna celebrates her 50th book with a controversial interpretation of the Gospels of Mark Matthew Luke and John and what they mean for the Church and society today In many ways modern audiences have become so familiar with the gospels that we've stopped listening and integrating their wisdom into our everyday lives Acclaimed author Megan McKenna explores the messages of the four gospels in the context of daily life when they were originally written and interprets their meaning for our modern world While some argue for the development of new gospels for the 21st century McKenna argues that we haven't paid due attention to the ones we already have in many cases we've ignored sections of these teachings entirely and twisted their meaning to suit our own agendas McKenna breaks it down gospel by gospel and shows us how the lessons of Jesus's apostles continue to resonate

Fortress Introduction to the Gospels, Second Edition Mark Allan Powell, 2019-10-01 With clarity and verve Mark Allen Powell introduces the beginning student to the contents and structure of the Gospels their distinctive characteristics and their major themes An introductory chapter surveys the political religious and social world of the Gospels methods of approaching early Christian texts the genre of the Gospels and the religious character of these writings This second edition has been updated to take fuller account of different theories regarding the Gospels with new chapters on the historical Jesus and on gospel literature not included in our New Testament and with a pleasing new format Special features include illustrations and more than two dozen special topics [Tasting the Word of God: Commentaries on the daily lectionaries](#)

Toward Decentering the New Testament Mitzi J. Smith, Yung Suk Kim, 2018-08-21 *Toward Decentering the New Testament* is the first introductory text to the New Testament written by an African American woman biblical scholar and an Asian American male biblical scholar This text privileges the voices scholarship and concerns of minoritized nonwhite peoples and communities It is written from the perspectives of minoritized voices The first few chapters cover issues such as biblical interpretation immigration Roman slavery intersectionality and other topics Questions raised throughout the text focus readers on relevant contemporary issues and encourage critical reflection and dialogue between student teachers and teacher students

Sacramental Charity, Creditor Christology, and the Economy of Salvation in Luke's Gospel Anthony Giambrone, 2017-07-20 In this work Anthony Giambrone investigates the appropriation and development of Jewish charity discourse in Luke's Gospel In contrast to previous scholarship neither the coherence of Lukan wealth ethics nor its contemporary actualization defines his study Instead the sacramental significance of almsgiving becomes the starting point for a more theologically oriented exegesis The end result recognizes Luke's Christological mutation of the inherited tradition The text is organized around three exegetical probes each handling parabolic material i e Luke 7:36-50 10:25-37 and 16:1-31 The author advances an approach to these parables that highlights Christological allegory metalepsis as a Lukan narrative device A break is thus implied with the dominant rationalist constructions of Luke's parabolic art and ethics Also in contrast to a dominant trend stress is laid upon Luke's Jewish rather than Greco-Roman context

Jesus's Manifesto Roman A. Montero, 2019-04-24 *Jesus's Manifesto* The Sermon on the Plain is a historical analysis and exegesis of the Sermon on the Plain found in Luke 6:20-49 Going into the historical and literary context of the Sermon on the Plain it examines how the message fits into the world of Jesus and his audience *Jesus's Manifesto* demonstrates how the Sermon's ethical injunctions and eschatological message interacted with contemporary ideologies and how these injunctions were meant to be taken as normative commandments by Jesus in light of his eschatological message Many have attempted to dampen the ethical teachings of Jesus by trying to relativize them or by trying to make them compatible with the wider culture and the dominant ideologies however when understood in its historical context the Sermon's message was not only incompatible with the wider culture and the dominant ideologies but it stood in opposition to them *Jesus's Manifesto* provides the necessary historical and anthropological tools to fully appreciate the profound and seemingly radical message of the Sermon of the Plain

Tradition and Design in Luke's Gospel John Drury, 1976

Matthew Frederick Dale Bruner, 2007 Drawing on great church teachers through the centuries and on the classical Christian creeds and confessions this book asks both what Matthew's Gospel said to its first hearers and what it says to readers today It shows how the focus of Matthew shifts from Jesus teaching about who he is to teaching mainly about what his church is

On God's Path: The Unfolding Story of Humanity S. Craig George,2010-06-25 On God s Path The Unfolding Story of Humanity is an optimistic realistic and pious view of humanity s role on the stage of creation In this generation a variety of competing stories have been told to explain where we came from and where we are going each story told with sincere conviction These stories seem to turn on two centers science and religion and they are often placed in opposition The theme of this book is that the truths of science and religion need not be viewed as mutually exclusive but complementary in the big picture With significant advances in both science and theology in the recent past we have much more information to attempt to incorporate in humanity s story than ever before More dots to connect give us a better chance of bringing into focus a much larger and more inclusive picture of where we came from and where we may be going The story of humanity as presented in this book begins with the first moment of the cosmos and traces the rise of the human physically socially and morally It engages the reader to consider humanity s trajectory With a Christian perspective respectful of all faiths the author weaves the human religious impulse and
