Luke The Gospel Of Amazement Luke The Gospel Of Amazement:

Luke: The Gospel of Amazement Michael Card,2010-12-14 Michael Card embarks on an imaginative journey through the Gospel of Luke Picturing Luke as historian Gentile doctor and slave Card approaches Luke s written account with questions that engage the imagination Join him in the work of opening heart and mind to the Gospel of Amazement **John: The Gospel of Wisdom** Michael Card,2014-07-14 John the longest surviving of the apostles recorded in his Gospel a portrait of Jesus built on years of reflection In this last volume of the Biblical Imagination Series Michael Card shows how John fills out our picture of Jesus divine identity with stories and sayings of Jesus not recorded by the other Gospel writers *Jesus' Emotions in the Gospels* Stephen Voorwinde,2011-04-14 Jesus Emotions in the Gospels investigates richness and variety of the emotional life of Jesus as depicted in the four gospels Attention is often paid to the events of Jesus life his teaching and his ministry but rarely is Jesus emotional life considered Stephen Voorwinde presents all sixty references to the emotions of Jesus as they appear in the gospels enabling readers to think deeply about how they can relate to the different aspect of Jesus which each evangelist presents Readers are introduced to the compassionate king of Matthew s gospel and to the man of sorrows in Mark s gospel The Jesus of Luke s gospel is seen as a sympathetic son and finally the Jesus presented by John as loving Lord Voorwinde builds a careful picture of Jesus within the theological framework of each evangelist considering the Historical Jesus debate the synoptic problem and the individual literary characteristics of each evangelist The emotional challenges posed throughout the New Testament gain new significance when considered side by side with the emotional character of Jesus **The Nazarene** Michael Card,2020-11-24 Over the course of his career singer songwriter Michael Card has explored the depths of Scripture by bringing together biblical study and the power of the imagination Now he sheds light on the life of Jesus through forty lyrical reflections on the four Gospels leading us to a place where Jesus becomes real and we can hear him with both hearts and minds *The Essence of the New Testament* Elmer L. Towns,Ben Gutierrez,2016-08-01 The Essence of the New Testament Second Edition surveys the books of the New Testament from Matthew to Revelation Drawing on decades of scholarly research and classroom teaching the authors provide a practical readable and insightful introduction to the second major division of the Christian biblical canon This new edition contains new information about the emergence of an early Christian canon the significance of Second Temple Judaism for New Testament study an overview of tools for New Testament research an introduction to Jesus studies and a synopsis of the relationship of the Old Testament to the New Testament Other beneficial features for students and instructors include More than 150 full color photographs maps illustrations and charts Introductions to each New Testament book including background outline message and theological significance Introductory chapters on how we got the New Testament principles of interpretation the intertestamental period and the Synoptic problem Sidebars focusing on significant topics and Greek word studies for English readers Study questions and recommended further reading Editors Elmer L Towns and Ben

Gutierrez draw from their years of teaching experience to provide a time tested New Testament overview written at the college level yet also appropriate for pastors scholars and laypeople They combine the finest evangelical scholarship with a passion to open windows of spiritual and practical insight into the biblical text **Before You Were Born, I Anointed You** Anna Beresford,2022-09-12 Prophetic ministry in the Bible has long been perceived as the exclusive domain of individuals who were powerful authoritative argumentative and almost always male This impression cannot be sustained In a logical and engaging way Anna Beresford convincingly shows us that female characters throughout the biblical story are not merely peripheral actors but are often the ones who proclaim God s prophetic word with disturbing clarity Beginning with the few women acknowledged as prophets in the Hebrew scriptural tradition Beresford proceeds to uncover a surprising host of hidden female prophets Among this cast we meet the widow whose last penny is consumed by organized religion the gate crasher who teaches a pious Pharisee stern lessons in hospitality a woman who has the last word in a theological debate A woman used to trap Jesus proclaims truth to power and a feisty foreign lady cleverly proves that God s love is for all of us regardless of gender or ethnicity This book is a compelling reminder that God speaks to all people women and men and calls on us to share the message whether it is convenient or not 2 Tim 4 2 NET **The Character and Purpose of Luke's Christology** Douglas Buckwalter,1996-08-28 Luke s christology is carefully designed Luke portrays the exalted Jesus as God s co equal by the kinds of things he does and says from heaven Through the Holy Spirit the divine name and personal manifestations Jesus behaves toward people in Luke Acts as does Yahweh in the Old Testament His power and knowledge are supreme Jesus sovereignly reigns over Israel the church the powers of darkness and the world Luke deepens this portrait by depicting Jesus as deity who by nature behaves as servant the earthly Jesus acted among his people as one who serves the exalted Jesus continues serving his people by strengthening and encouraging them in their witness of him to the world That the believers in Acts resemble the way Jesus behaved in the Gospel means that they too are now imaging some of his servant like character in their witness of him Interpretation of St. Luke's Gospel, Chapters 1-11 R. C. H. Lenski, This item is part of Lenski New Testament In Twenty Volumes Pastors and students of the Bible who seek deep and detailed engagement with the text of the New Testament have long relied on R C H Lenski s classic text now available again Even though its historical critical work has been surpassed the strong narrative quality accessibility and holy reverence for the Word of God Moody Monthly of Lenski s work have allowed his commentary to continue as an excellent resource for serious study of the New Testament and sermon preparation **A Thematic Access-Oriented Bibliography of Jesus's Resurrection** Michael J. Alter,2019-12-31 The keystone of Christianity is Jesus s physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most

relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e.g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease

Weeping and Tears in Luke's Gospel Narratives Sue Ann Mak,2025-06-18 **When Did we See You Naked?** Jayme R. Reaves,David Tombs,Rocio Figueroa,2021-03-31 Was the stripping and exposure of Jesus a form of sexual abuse If so why does such a reading of Jesus suffering matter The combined impact of the MeToo movement and a further wave of global revelations on church sexual abuse have given renewed significance to recent work naming Jesus as a victim of sexual abuse Timely and provocative When did we see you naked presents the arguments for reading Christ as an abuse victim as well as exploring how the position might be critiqued and what implications and applications it might offer to the Church

Studies in St. Luke's Gospel Colin Campbell, 1891 *The Story of Jesus* Roy A. Harrisville, 2020-08-28 This book written for college and seminary age students is the distillation of reflection on the life and career of Jesus of Nazareth for over three decades Such reflection needs no legitimizing since preoccupation with Jesus of Nazareth continues in one form or another till the present day The arrangement of the pieces and fragments which make up the mosaic in part pursue the usual chronological order as appears in most editions of the Bible But the interpretation of events within each sequence are this author's own In discussion with early or contemporary scholars the text may reflect agreement or disagreement but assumes the right to and responsibility for a specific point of view As indicated the book is a mosaic comprised of pieces and fragments It in no way intends to match the often massive attempts at describing Jesus of Nazareth that have been published over the centuries Like a mosaic it will show wear and tear but it will be sufficient to indicate to the reader precisely whose face appears amid all those fragments and pieces and enough to awaken reflection on his life and career *Count Me In* Travis Agnew, Alex Kendrick, Stephen Kendrick, 2024-08-06 Today's students are constantly pulled toward a life of confusion and half baked beliefs But Jesus Christ is calling them to something greater than anything this world can offer He offers eternal life that includes a living relationship with God a radical commitment to truth and a life of love compassion and purpose A radical life that counts now and in eternity *Count Me In* walks students through the entire Gospel of Luke and Jesus's bold invitation to follow Him daily obey Him faithfully and trust Him completely Each of the eight chapters focuses on an important element of discipleship from studying Scripture to sharing Jesus with others Students will be challenged with Do I value the right relationships Do I have a healthy perspective of my earthly stuff Do I let temptation and sin block my spiritual growth Do I have a plan to keep my life intentionally grounded in Christ Including reflection questions and discussion guides this book can easily work for solo readers or group studies Students should feel inspired to take on a deeper study of Scripture and challenged to take Christ's call of discipleship seriously in their own lives Jesus chose young followers in the first century and invites today's generation of young people to follow Him now To know Him love Him and make Him known To surrender and put Him first in every area To be a part of His message and His mission to the nations *Count Me In* will engage students to hear the amazing call of Jesus and to boldly live out their faith every day **The crowds in the Gospel of Matthew [electronic resource]** J. R. C. Cousland, 2002 Annotation Arguing that crowds in the Gospel of Matthew serve as a theological entity that represent the people of Israel as opposed to their leaders Cousland classical Near Eastern and religious studies U of British Columbia Canada explores how this representation sheds light on Matthew's relationship to Judaism Although Matthew had broken with Jewish leadership he still had hopes of converting the Jewish people to Christianity and this tension was displayed in the ambivalent manner in which crowds were portrayed in the gospel Annotation copyrighted by Book News Inc Portland OR **Feasting on the Gospels--Mark** Cynthia A. Jarvis, E. Elizabeth Johnson, 2014-06-12 *Feasting on the Gospels* is a new seven volume series that follows up on the success of the

Feasting on the Word series to provide another trusted preaching resource this time on the most prominent and preached upon most preached upon books in the Bible the four Gospels With contributions from a diverse and respected group of scholars and pastors Feasting on the Gospels includes completely new material that covers every single passage in the Gospels making it suitable for both pastors who preach from the lectionary and pastors who do not Moreover these volumes incorporate the unique format of Feasting on the Word giving preachers four perspectives to choose from for each Gospel passage theological pastoral exegetical and homiletical Feasting on the Gospels offers a unique resource for all who preach either continuously or occasionally on the Gospels

Jesus against the Scribal Elite Chris Keith, 2020-09-17 How did the controversy between Jesus and the scribal elite begin We know that it ended on a cross but what put Jesus on the radar of established religious and political leaders in the first place Chris Keith argues that an answer to these questions must go beyond typical explanations such as Jesus's alternative views on Torah or his miracle working and consider his status as a teacher Keith examines Jesus's own likely educational background and situates Jesus within his first century context showing readers that some of the tensions between Jesus and the scribal authorities may have originated in Jesus's own lack of formal education Keith builds on his earlier work on Jesus's literacy and uses insights from memory theory and ancient media studies to consider how Jesus's actions and teachings may have specifically been seen to challenge an elitist scribal culture

Passions of the Christ F. Scott Spencer, 2021-05-04 Senior New Testament scholar F. Scott Spencer focuses on a neglected area in the study of Jesus and the Gospels the emotional life of Jesus This book offers a fresh reading of the Gospels through the lens of Jesus's emotions anger grief disgust surprise compassion and joy These emotions motivate Jesus's mission and reveal to Gospel readers what matters most to him Amid his passions Jesus forges his character as God's incarnate Messiah wholly embodied and emotionally engaged with others and thoroughly embedded in the surrounding environment
