Kent Hughes, 2014-09-30 Luke s carefully researched and orderly account of the life of Christ is one of the finest pieces of historical writing from the ancient world More importantly it boldly proclaims the story and significance of Jesus emphasizing his gospel as good news for the whole world In this illuminating commentary respected pastor R Kent Hughes explores Luke s historical claims about the life of Christ and his overarching message offering helpful insights into the biblical text and pastoral reflections on how it applies to everyday life Written to help preachers and Bible teachers communicate God s Word more effectively this commentary explores how the life death and resurrection of Jesus constitute the fulfillment of Old Testament prophecy and guarantee salvation to all who believe on his name Part of the Preaching the Word series **Expository Thoughts on the Gospels: Volume 1-4** J.C. Annual ,1887 **The Chronological Life of Christ** Mark E. Moore,2007 not much has changed since Jesus gathered dust in the soles of his sandals on Palestinian soil He is still the buzz at barber shops and corner cafes He is still talked about and against He pricks our curiosity sparks our imagination and even earns our ire Who is he really You know he s no politician but he still transforms nations He s no social activist but he is the genesis of who knows how many hospitals orphanages and innumerable acts of kindness A psychotherapist Hardly But how many of us Humpty Dumpties has he put back together again This peasant carpenter has built himself a kingdom immeasurably greater than his earthly enemies could have imagined What are we to make of him Please accept my deepest apologies right up front for this book will not help answer that question However it may help answer this one What is this man to make of me The Chronological Life of Christ is the definitive resource where all four Gospels have been harmonized into one chronological story line The reader gets an in depth look at Jesus life ministry death and resurrection a look not attainable when reading each Gospel separately Written using the Thomas Gundry NIV Harmony of the Gospels as a frame The Chronological Life of Christ includes a very helpful subject index and user friendly table for quickly finding Bible passages This is a must have resource for every student and teacher of God s Word Book jacket **"I Fear!" A Caution for the Times. Being Thoughts on 2 Cor. Xi. 3** John Charles Ryle,1877 **Biblical Interpretation and the Church** D. A. Carson,2002-12-03 All too often problems of biblical hermeneutics are too closely linked to technical biblical study rather than to the day by day issues confronting the church Here however eight international scholars from seven countries show how such studies can have vital relevance to today s immediate problems and needs The writers focus on the biblical doctrine of the church itself and how the church carries out its mission in various cultures Originally presented as lectures at Tyndale House in Cambridge England these essays have been revised in light of the discussion and criticism that followed They include careful biblical analyses of the nature of the church its opponents and of such modern concerns as social justice and liberation theology The result is a stimulating reassessment of the role that Scripture plays in bringing Christ to persons within their cultural contexts Studies in Sacred Theology ,1922 **The Boyhood Consciousness of Christ** P. J. Temple,2009-02-26 **Hymns for the Church on Earth** John Charles Ryle,1876
