Lunar Park Literatura Random House

Bret Easton Ellis

Lunar Park Literatura Random House:

Lunar Park Bret Easton Ellis, 2020 *Lunar Park* Bret Easton Ellis, 2020-03-19 Una novela vertiginosa e hipnotizante en la que el enfant terrible de la literatura norteamericana arremete contra su propia biografía. Imagine que se convierte en un autor de gran éxito cuando todavía es universitario. Fama y millones de dólares difuminan la muerte inmediata de su insufrible padre. Fiestas glamurosas en Manhattan, sexo y drogas le sumergen en la vorágine de la autodestrucción. Imagine que poco después tiene una segunda oportunidad como le sucede a Bret Easton Ellis en *Lunar Park*: una nueva vida junto a su esposa y sus hijos en un idílico barrio residencial. Sin embargo, todo esto puede cambiar. En una fatídica fiesta de Halloween, Bret Easton Ellis cree ver a uno de sus personajes de ficción más temibles conduciendo un coche como el de su padre mientras en la habitación de su hijastra una muerta ha cobrado vida. Extrañamente, la casa desprende una atmósfera fantasmal y en el exterior las cosas no parecen ir mejor: se suceden una serie de asesinatos y desapariciones de niños de la misma edad que su hijo. *Lunar Park* es una obra excepcional en la que se confunden realidad y ficción y en ella el enfant terrible de la literatura americana arremete contra su propia biografía. Reseñas: He aquí un libro que avanza desde la oscuridad y la banalidad hacia la luz y la epifanía con una fuerza y seguridad sorprendentes. Stephen King. Un libro inquietante y real. El primer capítulo es la prueba de que no tiene desperdicio: que es droga dura y que contra el olvido que le auguraran los detractores del escritor Easton sigue en forma. Nuria Labari. El Mundo. Adictiva, sublime, exquisita, brillantemente ejecutada. Una fantasmagoría rica en fusión de amor y pérdida de alucinaciones y sabiduría. The New York Times. En *Lunar Park*, Ellis supera la frontera de la metafiction introduciendo en un modelo narrativo que bien podría denominarse como psicoficción. Las evocaciones que sugiere son tan numerosas como heterogéneas. Jos Antonio Gurpegui. El Cultural. *Lunar Park* es una novela tremendamente entretenida, propulsada por un humor festivo completamente ausente en la escritura de la generación de escritores americanos que sucedió a Ellis. Matt Thorne. The Independent. Una lectura hipnotizante. Verdaderamente aterradora. *Lunar Park* es una historia acerca de ese dolor transcendental que los padres infligen a sus hijos. El peor tipo de violencia es aquella que es interna y emocional y en las bellas páginas finales de esta rica y compleja novela se demuestra que también es el tipo más dañino. The Miami Herald. **American Psycho** Bret Easton Ellis, 2020-03-19 La novela más infame de Bret Easton Ellis, un clásico contemporáneo que se ha convertido en símbolo de una generación. La vida era como un lienzo en blanco, un cliché, un culebrón. Me sentí a letal al borde de la histeria. Mis ansias nocturnas de sangre inundaban también mis días y tuve que dejar la ciudad. Mi máscara de cordura amenazaba con desaparecer. Para mí era la estación más dura y necesitaba vacaciones. El sofisticado, inteligente y vanidoso Patrick Bateman trabaja en Wall Street, idolatra al joven magnate Donald Trump, cena en los restaurantes de moda de Nueva York y es capaz de distinguir un traje Armani a cincuenta metros de distancia. También le gusta violar, torturar, asesinar y desmembrar. *American Psycho*, la novela más polémica de Bret Easton Ellis, se ha convertido en el reflejo más descarnado de la sociedad hipermaterialista de finales de los 80 y en una de las obras maestras de finales del

siglo XX Bret Easton Ellis lanza una crítica corrosiva hacia el egoísmo y la depravación del capitalismo exacerbado un retrato desolador irónico y rabiosamente vigente de un mundo al borde del colapso en el que todavía vivimos Críticas American Psycho sigue siendo la exégesis literaria más indispensable y salvaje sobre la sociedad que hemos construido Irvine Welsh American Psycho era y es y ser una obra maestra de la literatura estadounidense del siglo XX símbolo y metáfora y síntoma y paradigma Con prosa y dicción que se las arregla para fundir lo mejor Ernest Hemingway y Joan Didion y HAL 9000 Rodrigo Fresán Un libro fundamental Fay Weldon The Washington Post Esto es seguro esta novela se adelantó a su tiempo Dwight Garner The New York Times Sería inteligente y rompedoramente efectiva Es un retrato tremendamente coherente de una sociedad mortalmente adicta al aburrimiento deber a ser juzgada dentro de los más altos estándares Sunday Times American Psycho es hilarante Además de una pesadilla repulsiva Patrick Bateman es una creación cómica de primer orden Sam Jordison The Guardian Hoy en día American Psycho es una obra canónica de sátira social laica y más condenatoria crítica de las consecuencias culturales del capitalismo contemporáneo John P. Rollert Chicago Booth Review Que los contenidos del libro son escandalosos es completamente indiscutible pero de la misma manera que La hoguera de las vanidades expuso la corrupción y la avaricia resultantes de las políticas de los años ochenta y sus altos niveles de vida American Psycho examina las preocupaciones irracionales de los pijos de los noventa Time Out Un libro que abraza a críticos censores y lectores en general y que finalmente se convirtió en uno de los grandes clásicos de culto de la era moderna Años después de su original y controvertida publicación el poder del libro para escandalizar y repeler puede haber disminuido pero su posición en el canon moderno está asegurada Literary Hub El modelo de una generación de autores Le Monde

The Lawyer of the Church

Pablo Mijangos y Gonzalez, 2015-06 Mexico's Reforma the mid nineteenth century liberal revolution decisively shaped the country by disestablishing the Catholic Church secularizing public affairs and laying the foundations of a truly national economy and culture The Lawyer of the Church is an examination of the Mexican clergy's response to the Reforma through a study of the life and works of Bishop Clemente de Jesús Munguá 1810-68 one of the most influential yet least known figures of the period By analyzing how Munguá responded to changing political and intellectual scenarios in defense of the clergy's legal prerogatives and social role Pablo Mijangos y González argues that the Catholic Church opposed the liberal revolution not because of its supposed attachment to a bygone past but rather because of its efforts to supersede colonial tradition and refashion itself within a liberal yet confessional state With an eye on the international influences and dimensions of the Mexican church state conflict The Lawyer of the Church also explores how Mexican bishops gradually tightened their relationship with the Holy See and simultaneously managed to incorporate the papacy into their local affairs thus paving the way for the eventual Romanization of Mexican Catholicism during the later decades of the century Historia de la literatura gay Gregory Woods, 2001-11-05 Obra políptica que estudia la literatura gay masculina desde la Antigüedad hasta nuestros días incluyendo asimismo la visión que tienen de este mundo los escritores no homosexuales N, 2006
