Lupus My Doctor And Me A Sacred Dialogue:

Lupus, My Doctor and Me: A Sacred Dialogue Anita A. Fricklas, Stuart S. Kassan, 2010-07-01 This insightful book demonstrates the conversations you should be having with your Doctor presented in discussion format from both the patient's and doctor's perspective. Autoimmune diseases are chronic inflammations of various parts of the body. Lupus in particular can present such a wide variety of symptoms and ongoing health issues that it is critical to maintain an open communicative relationship between patient and physician. In a familiar question and answer style, the authors show you how it's done. What should I tell my Doctor? How do I know if a symptom is important? What does it mean to the Doctor in my overall treatment plan? By example, the authors have demonstrated the development of the sacred relationship between doctor and patient. They cover common issues of daily living with thoughtful discussions of the variety of symptoms, how they may affect your lifestyle, and those of your family. This guide provides constructive adjustment strategies for a productive lifestyle. Offering both patient and doctor viewpoints, *Lupus My Doctor and Me* will leave each reader a clearer understanding for management of this syndrome. Whether part of your personal library or the public library, this guide will provide an insightful narrative for family and friends. There are over 5 million people with lupus worldwide, with close to 1.4 million diagnosed in the US. Family and friends of patients will find insights as participants in caregiving. Those millions of autoimmune disease patients, including those with multiple sclerosis, diabetes, Crohn's disease, fibromyalgia, rheumatoid arthritis, Sjögren's syndrome, and Raynaud's disease, will also find insights and useful tools in the book. This book is a valuable collection addition to all 16,000 US public libraries. [Lupus, My Doctor, and Me](#) Anita A. Fricklas, 2010 **Sacred Creativity** Jena

Holliday, 2024-08-20 In this gorgeous and inspiring book, the beloved artist behind *Spoonful of Faith* shows you how to overcome your fears and harness your own creative gifts as an act of worship. With thoughtful stories, powerful reflections, hand lettering, and beautiful original artwork, Jena Holliday invites you to discover how you uniquely reflect the heart of a creative God. Using the lessons she's learned along the way and creative prompts throughout, Jena encourages readers to overcome the pressure to perform, face the fears of failure and imposter syndrome, believe in the gifts that God has given, step forward in creativity, and delight in the fruit that comes from freely creating as an act of worship. Each section provides space to digest what you've read with thoughtful questions to respond to in words or drawings, an affirmation to encourage you, and a prayer to guide you. With suggested songs to listen to as well, *Sacred Creativity* is the ultimate invitation to offer your God given gifts back to the Creator in joyful worship. To yield to the One who Created all and allow your art, creativity, and life to be a love offering. **British Medical Journal**, 1902 *The Works of the English Poets, from Chaucer to Cowper; Including the Series Edited, with Prefaces, Biographical and Critical, by Dr. Samuel Johnson: and the Most Approved Translations.
