Warren's World ,      **A Grain of Wheat** Joseph Jacobson,2020-05-19 This is the story of how a brilliant but disillusioned man moves from a self absorbed childhood and adolescence to a dramatic awakening to a life of love and duty that draws him out of himself and plunges him into the world of pure science as his way of serving God and neighbour The reader journeys with him every step of the way experiencing with him his two great personal loves his apparent triumphs his devastating losses his shocking moments of confrontation with bitter truth and his final victory In the course of this great adventure the false assumptions on which so much of modern Western society is based crumble out from under him and out of his disillusionment and despair emerges for him the one Glory which does not crumble away Set in the American Middle West in the first half of the Twentieth Century this novel probes many of the issues that we face today and puts them in the context of God's unfolding plan for humanity      *Driving with Dvor?\_k* Fleda Brown Jackson,2010-01-01 All our lives are made of moments both simple and sublime all of which in some way partake of the cultural moment Fleda Brown is that rare writer who in narrating the incidents and observations of her life turns her story by wit and insight and a poet's gift into something more This is an unconventional memoir A series of lyrical essays about life in a maddeningly complex family during the even more maddeningly complex fifties and sixties it adds up to one woman's story while simultaneously reflecting the story of her times A strange and erratic father a resigned and helpless mother a mentally disabled brother a sister with a brain tumor folded into Brown's reflections are the intimacies and ambivalences of family and marriage girlhood and adolescence identity and self knowledge Whether reflecting on the automobile industry or a wrenching parting from beloved pets or the process of aging Brown's telling rings with great humor profound perception and a lyricism that makes even the most commonplace moment uncommonly good reading      *Other People's Houses* Abbi Waxman,2018-04-03 Abbi Waxman is both irreverent and thoughtful 1 New York Times bestselling author Emily Giffin The author of *The Garden of Small Beginnings* returns with a hilarious and poignant new novel about four families their neighborhood carpool and the affair that changes everything At any given moment in other people's houses you can find repressed hopes and dreams moments of unexpected joy someone making love on the floor to a man who is most definitely not her husband record scratch As the longtime local carpool mom

thoroughly document his life as an accomplished career diplomat In vigorous prose they describe how Thompson joined the Foreign Service both to feed his desire for adventure and from a deep sense of duty They also detail the crucial role he played as a negotiator unafraid of compromise Known in the State Department as Mr Tightlips Thompson was the epitome of discretion People from completely opposite ends of the political spectrum lauded his approach to diplomacy and claimed him as their own Refuting historical misinterpretations of the Berlin Crisis the Austrian State Treaty and the Cuban Missile Crisis the Thompsons tell their father s fascinating story With unprecedented access to Thompson s FBI dossier State Department personnel files letters diaries speeches and documents and relying on probing interviews and generous assistance from American and Russian archivists historians and government officials the authors bring new material to light including important information on the U 2 Kennan s containment policy and Thompson s role in US covert operations machinery This unique and monumental biography not only restores a central figure to history it makes the crucial events he shaped accessible to a broader readership and gives contemporary readers a backdrop for understanding the fraught United StatesRussia relationship that still exists today
