

The background of the cover features several pieces of Lyman reloading equipment. On the left, there is a long-reach tool, possibly a necking die, with a long handle and a specialized head. In the center, there is a smaller, more compact tool, likely a trimmer or a smaller die. On the right, there is a larger, more complex machine, which appears to be a progressive reloading press, with various components like the hopper, dies, and ejection system visible. The equipment is set against a dark, almost black background, which makes the metallic parts stand out.
