

The background of the cover is a dark, almost black, space. It is populated with various microscopic organisms. Numerous blue, thread-like structures, resembling fungal hyphae or bacterial flagella, are scattered across the frame. Interspersed among these are many small, yellowish, oval-shaped objects that look like bacteria or spores. In the lower-left corner, there is a large, solid red circle. The overall aesthetic is scientific and high-tech, typical of a modern biology textbook cover.
