Harry S Truman Americas 33rd President Encyclopedia Of Presidents Second:

Presidents and Presidencies in American History Jolyon P. Girard, 2019-10-07 This innovative encyclopedia explores the life and times of America's forty five presidents from the first administration to that of Donald Trump. Forty five men have served as President of the United States since George Washington swore the oath of office in 1789 in New York City. Some have proved exceptional leaders and others have not. Some have faced serious crises both foreign and domestic. Franklin Roosevelt was elected to four terms leading the country through a major economic depression and a world war while one held the office for only a single month. Each however played a key role in the evolution of United States history. Each of their histories therefore remains a critical civics lesson to consider. This four volume encyclopedia provides an expansive analysis of the life and times of each United States president in chronological order from George Washington to Donald Trump. Each chapter includes a timeline, a biographical sketch, a historical overview, and an analytical essay concerning the president and his presidency. Each also includes a substantial selection of related primary documents presenting important presidential speeches and correspondence. A suggested reading list for further study of each president rounds out each entry.

Truman

was sworn in as the 33rd President of the United States during the middle of World War II. This meant that every decision the new President made would be watched closely by all and have an immense impact on the future of not only the United States but also Europe, Asia, and the Soviet Union. As you will soon discover, Harry S. Truman was not your typical President. He was rough around the edges and was bold in his decisions and actions. Ultimately, he was faced with making some very tough decisions during a very trying time in history. His actions, while met with a lot of controversy, were instrumental in ending World War II, preventing a war with the Soviet Union, and establishing the United Nations. This book documents President Truman's life from start to finish. You will learn of his childhood, early career, and how he became the President of the United States. Further, you will learn about his political beliefs and the impact he had on shaping the world as we know it today. At the completion of this book, you will have a good understanding of Harry Truman and his eventful life. Harry Truman Joseph Greene, 2023-01-24. HARRY TRUMAN. Like all Presidents of the United States, Harry Truman made both good and bad decisions. Both of these types of choices had lasting effects on our country and its foreign relations. As you will soon discover, Truman served as President during some of the most challenging times in the history of the United States. He was sworn in during the 2nd World War and, as such, had a lot of difficult decisions to make during a time of tumult, especially when the war was nearing its end. Many of his decisions, both during the war and afterwards, are hotly debated to this day. This biography of our 33rd President is not here to only focus on the good and ignore the bad. It's here to portray the facts, showcase what Harry S. Truman had to deal with in the Oval Office, as well as outline the steps in his early life that took him to the Presidency. This book also covers his life after the Presidency and details how he transitioned from making decisions that affected a whole nation back to being a regular Joe.
