Pan-Asianism Sven Saaler, Christopher W. A. Szpilman, 2011-04-16 This second volume in a two volume set provides the only comprehensive Western language history of Pan Asianism through primary sources and commentaries The book argues that Pan Asianism often though unfairly associated with the Yellow Peril has been a powerful political and ideological force in modern Asia It has shaped national identities and strongly influenced the development of international relations across Asia and the Pacific Scholars have long recognized the importance of Pan Asianism as an ideal of Asian solidarity regional cooperation and integration but also as an ideology that justified imperialist expansion and military aggression Yet sustained research has been hampered by the difficulty of accessing primary sources Thoroughly remedying this problem this unique sourcebook provides a wealth of

documents on Pan Asianism from 1920 to the present many translated for the first time from Asian languages All sources are accompanied by expert commentaries that provide essential background information Providing an essential overview of Pan Asianism as it developed throughout modern Asia this collection will be an indispensable tool for scholars in history political science international relations and sociology Its accessible presentation makes it a valuable resource for non specialists as well Contributions by Roger H Brown Kristine Dennehy Prasenjit Duara Eddy Dufourmont Curtis Anderson Gayle Jung Sun N Han Hatsuse Ryuhei Eri Hotta Eun jeung Lee Stefano von Lo Ethan Mark Muto Shutaro Li Narangoa Sven Saaler Michael A Schneider Kyoko Selden Mark Selden Christopher W A Szpilman Brij Tankha Christian Uhl and Torsten Weber *More Stories by Japanese Women Writers: An Anthology* Kyoko Siden,2014-12-18 This anthology introduces sixteen modern Japanese women writers spanning a century in time and a wide range of life circumstances and literary styles No other collection offers us such a diversity of women's voices
