Hate Laurel Curtis, 2014-10-12 Roses are red Violets are blue Life can be messy And love can be too Most people say that it s not important where you re going but instead how you get there Unfortunately for me the journey to love was absolutely agonizing Love and Hate wrestled with my life day after day year after year and the only way to stop it was to let one of them win Which one I fought to love harder But I loathe my love story Warning This standalone novel contains explicit language sexual content and potential triggers

The Truth in Our Hate Aza Reece, 2018-11-17 Nelson Mandela once said No one is born hating another person because of the color of his skin or his background or his religion People must learn to hate and if they can learn to hate they can be taught to love for love comes more naturally to the human heart than its opposite In this gripping tale of hatred love conquers all Product Description Extremely caring nurse Charmayne has developed a soft spot for her cancer patient Alexis That is until her father Derrick judges her based on the color of her skin But soon Derrick comes to learn it isn t about who s black or white but the truth in our hate can lead you toward the light Excerpt Alexis was lying on her side in the bed with Trina holding one of the hospital basins beneath her as she vomited into it chokingly Beside them Yvette was attempting to gently insert an IV into her hand but was obviously finding it difficult because of Alexis current state A man was sitting on Alexis other side stroking her hair softly but the more she continued to throw up Charmayne could see the muscle working in his jaw Every few seconds he looked from Alexis to Yvette Trina s voice was shaken and desperate as she continued to watch Alexis throw up into the basin she was holding Isn t there something you can give her until that damn test comes in Until we know exactly what the CBC says I don t think we should give Alexis anything too heavy Mrs Carson Yvette replied still concentrating on the IV In a few minutes I can ask my sup Do you think you can just ask your supervisor to come in here please The man next to Alexis cut in when she squirmed under the dig of the needle I don t think this is helping much Yes I know I apologize Mr Roberson it s just hard to get a good vein in her arm with her shaking She s shaking because she s throwing up Trina exclaimed frustratingly shooting Yvette a dirty glare It itched Alexis explained meekly I scratched it til it started to hurt so I pulled it out Mm well you re braver for pulling it out than getting it put back in in my book Char smiled as she lifted the hand to look at it Means this shouldn t be too bad What was it doing itching her like that anyway The man asked skeptically as he looked at Alexis hand too If it s put in the right way it

shouldn't bother her at all right The IV was put in properly the last time sir I can assure you I did it myself Then why the itching Doesn't that sort of thing happen with dirty needles or unsterilized hands Trina rubbed her temples as she ground out Derrick Or the same way neither of you obviously knows how to put in a IV Jesus is there something you people actually do know how to do You people I've been a registered nurse for almost 9 years 5 of those have been as this hospital's chief nurse of Pediatrics Mr Roberson I'm more than capable of treating your daughter Charmayne didn't know why she felt the need to state her qualifications to this asshole though the reason behind his skepticism was all too clear to her now But the look on his face the look that had been on his face ever since she'd walked into the room was getting under her skin It would take an idiot not to know what this guy was thinking
