Nancy Eshelman: A Piece of My Mind Nancy J. Eshelman, 2007-10-08 Plenty of people have come up to me over the years and said You ought to write a book My response has always been to ask them to imagine they are a hairdresser All day they work in a salon cutting hair coloring hair styling hair Now I ask When you go home at night do you want to cut hair color hair and style hair The last thing I wanted to do after a long day in the newsroom was construct sentences edit paragraphs and compile a manuscript Then one day I had an awakening All those words I had been stringing together in columns in The Patriot News since 1989 were just hanging around in a computer library A few were clipped from newspapers and shoved in people's drawers Some dangled from magnets on refrigerators Why not gather a bunch of them together and create a book And so this work began taking shape What I have gathered here are columns written over the years about the joys and sorrows that come from caring about someone and about the changes I've observed as I've passed from child to adult from daughter to mother to grandmother

*Paradise of the Pacific*, 1922 **Hawaii Statehood** United States. Congress. Senate. Committee on Interior and Insular Affairs, 1950 Considers 81 H R 49 81 S 156 81 S 1782 I Don't Mind Waiting BeeGee Hill, 2022-05-11 Now really Do relationships really work Is there a formula that will help it last According to Val relationships that worked were a thing of the past Val was a young lady who had experienced a few hardships in her life After losing her father whom she cherished to cancer and was betrayed by the one she was settling for as the man of her dreams she became bitter toward relationships Of course they worked for some but it was truly unrealistic to think that there was someone out there for everyone Val's faith faltered and she strayed away from God and the church but after a couple years of backsliding she found her way back and was now determined to do things right according to the plan that God intended for her life After years of being a third wheel to one of her best friends Toni and her man could it be that her future rested behind the wheel of a squad car A man that looked THIS good was NOT going to be faithful or was he And HIS insecurities and double standards might serve as a warning or would they Val enjoys a lot of firsts with her newfound love and the two enjoy each other's company as they get to know one another But is that enough Trust issues and conflicts could place the relationship on hold but counsel from the other bestie and others help them to see the error of their ways and feisty Val recognizes that God will not leave her side if

she only trusts Him And yes there IS a formula It s written right there in His Word the Bible and when it s all said and done Val doesn t mind waiting Wait on the Lord be of good courage and He shall strengthen thine heart wait I say on the Lord Psalm 27 14

**Traveling Through My Mind: Volume 1** Elmo Kelley,2022-01-16 When I started writing poetry thirty years ago I never imagined that I would be doing it for this long and touch so many peoples lives in different and fascinating ways When I write my first purpose is to express how I feel about something and get my emotions on paper This has become to me in many ways a sort of therapy that allows me to deal with something creatively and at times hopefully find an answer I also tend to write about situations that I m trying to figure out or things that are bothering me I always try to make my poems contain a large amount of imagery so that someone reading one of my them feels like they have entered my world for a little bit Often that world is full of humor but also mixed with passion heartache and hope My poems have covered subjects like our current pandemic schooling the trials and tribulations of all kinds of relationships just to name just a few I want someone to read one of my poems and be able to find what it means to them I have realized that a poem can mean different things to different people I love to pull the heart strings but also entertain and make people laugh with my poems What started as a creative writing class at UCR back in 1991 has turned into one of my passions I hope you can find the beauty of my poems the humor the emotion and share them with your friends So enjoy the voyage through my mind Strap on your seatbelt and be prepared for a journey that may take you to places you have never been before and maybe to a few places you have visited as well
