[The Conversion of Senator Arthur H. Vandenberg](#) Lawrence S. Kaplan, 2015-05-19 The United States has looked inward throughout most of its history preferring to avoid foreign entanglements as George Washington famously advised After World War II however Americans became more inclined to break with the past and take a prominent place on the world stage Much has been written about the influential figures who stood at the center of this transformation but remarkably little attention has been paid to Arthur H Vandenberg 1884 1951 who played a crucial role in moving the nation from its isolationist past to an internationalist future Vandenberg served as a U S senator from Michigan from 1928 to 1951 and was known in his early career for his fervent anti interventionism After 1945 he became heavily involved in the establishment of the United Nations and was a key player in the development of NATO As chairman of the Senate Foreign Relations Committee during 1947 and 1948 Vandenberg helped rally support for President Truman's foreign policy including the Marshall Plan and his leadership contributed to a short lived era of congressional bipartisanship regarding international relations In The Conversion of Senator Arthur H Vandenberg Lawrence S Kaplan offers the first critical biography of the distinguished statesman He demonstrates how Vandenberg's story provides a window on the political and cultural changes taking place in America as the country assumed a radically different role in the world and makes a seminal contribution to the history of U S foreign policy during the initial years of the

Cold War **Joseph** Kathi S. Barton, 2015-07-24 Christiana McKenzie Chris to her friends was at her wit's end. She and her sister Angel were born witches. Their mother had warned them that using their powers would bring on another witch hunt and they'd risk being burned just like their ancestors. Her sister didn't heed their mother's warning and now Angel was dead. Angel had lived long enough to tell Chris that she'd left something for her with a man by the name of Bentley, then she died. Chris had to track down this Bentley no matter the cost. Joseph Bentley almost had everything finished: the house, the barn, everything. In a few weeks it would be finished and he would be able to move into the house and get the ranch going. But the progress wasn't going fast enough to suit him; he was lonely. Micah had come out to tell him that the sister of the girl that died to protect him was coming to see him and he was hoping that the nightmares since the incident would stop. Micah wanted him to come out to the main house and be there when she arrived. But the limo delivered the woman to Joey's house instead of Micah's. Joey couldn't believe it: the hostile woman was his mate and more than he could have ever hoped for. Whether or not Chris wanted a mate or not was irrelevant. Joey wasn't letting her out of his sight. And when she found out that her mother had lied to her, she wasn't an ordinary witch and that others would come to try to possess her. If they couldn't do that, then they would kill her to possess her powers. She needed help. The Bentleys banded together to save one of their own, but will it be enough? Can they even fight the powerful magic that's targeting Chris and Joey? **The Publishers Weekly**
